DOCUMENTS DEPT.

Tuesday, January 23, 1990 - 7:00 P.M.
McLaren Lodge, Golden Gate Park - Commission Room

MAR 6 1990
SAN FRANCISCO
PUBLIC LIBRARY

1. ROLL CALL

Members Present: Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Geraldine Earp; Jeff Henne; Dan Hodapp; Patricia Kennedy; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Juanita Raven; Rich Sorro; and Midge Wilson

Members Absent: Hilary Lamar, Co-Chair; Robert Cramer; Jean Driscoll; Bonnie Fisher; Bonnie-Jean Leddy; Harvey Louie; Willa Sims; Lynne Williams; and Paul Wotman

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner, and Ron de Leon, Assistant Superintendent, Neighborhood Parks and Squares, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

The Minutes of December 14, 1989 were approved as corrected.

3. BROOKS PARK

Lonnie Lawson presented the attached community recommendations for Brooks Park. The Committee voted to give priority consideration to items 1-3, 4, 6, 8 and 11 with a budget of \$50,000. The Committee voted to consolidate items 1-3 under a request for the development of a community garden.

4. MAINTENANCE BUDGET PRESENTATION

A general discussion of the maintenance allocation from Open Space funds was held. Staff explained that an additional 4 gardener supervisors and an additional 7 maintenance workers were being requested from Open Space funding. The Committee voted to support the staff recommendation.

5. CONSIDERATION OF OPEN SPACE PRIORITIES

A general discussion of the administrative allocation was held. Staff was directed to request justification of the City-wide overhead allocation. The Committee voted to accept the administrative allocation and directed staff to determine whether a portion of the cost could be allocated to the After School Program.

A general discussion was held on the "natural areas" category. The Committee voted to accept the following priorities:

Rock Outcropping	(1)
Bayview Hill	(1)
Bonview Lots	(2)
O'Shaughnessy Blvd.	(2)
Hawk Hill	(3)
22nd & Texas Sts.	(3)

The overall priority for the category remained at (1).

The Committee also voted to increase the allocation to the Richmond Recreation Center to \$750,000, to allocate \$125,000 to the renovation of Silver Terrace Clubhouse and to allocate \$827,000 to Natural Areas Banking.

The final recommendations of the Committee were as follows:

Acquisition and Development	\$ 4,037,000
Renovation	2,100,000
Maintenance/Administration	947,000
Prop. J Maintenance	5,500,000
After School Program	<u>1,716,000</u>
Total	\$14,300,000

The Committee recommended that the \$40,000 additional needed for Brooks Park be reallocated from funds allocated to the Bayview Playground restroom (sufficient funds exist for this project).

6. PUBLIC COMMENT

Jake Sigg spoke on behalf of additional funding for significant natural areas.

Greg Garr spoke on behalf of natural areas and Hawk Hill in particular.

The Committee agreed to schedule all future meetings for the second Tuesday of each month, with no meetings in July or August.

7. ADJOURNMENT

The meeting adjourned at 9:00 p.m.

Minutes prepared by Phil Arnold.

Note: These minutes set forth all actions taken by the Open Space Park Renovation Citizens Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

Re: Suggested Brooks Park Improvements

Submitted, as requested, is a list of suggested improvements at Brooks Park (Ramsell and Shields); for full committee meeting on Thursday, January 11, 1990.

RECOMMENDATIONS

- 1) Community garden
- 2) Build a defined entrance or walkway from street.
- 3) Plant flowers at entrance and landscape to enhance views.
- 4) Remove existing stairs. AFTER GRADING, CONSTRUCT NEW BENCHES AND TABLE(s).
- 5) Remove existing and install new Barbecue grills at various locations.
- 6) Repair lowering and raising mechanism on large BBQ unit. CLEAN AND PAINT ALL RUSTED SURFACES.
- 7) Install water fountain vicinity of play structure.
- 8) Regular and routine maintenance, cleaning, tree trimming and planting.
- 9) Begin a positive peer youth 8-12 and teen 13-18 program.
- 10) Begin some basic classes 2 and 4 hours on weekends around MAINTENANCE OF ECOLOGY and the Cultural Arts.
- 11) Replace boards on bench in play area nearest the park entrance.

Please be advised that the above data was received from persons attending a December 21, 1989 community meeting, sight visit and other interested persons.

Thanks to each of you and other members of the committee for the time devoted to this project.

Respectfully submitted,

Lonnie Lawson

1. ROLL CALL

Members Present: Hilary Lamar, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Bonnie Fisher; Dan Hodapp; Patricia Kennedy; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Harvey Louie; Juanita Raven; Willa Sims; Midge Wilson; and Paul Wotman

Members Absent: Robert Cramer; Jean Driscoll; Geraldine Earp; Jeff Henne; Rich Sorro; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; and Tim Lillyquist, Assistant to the General Manager, of the Recreation and Park Department; Walter Kocian of the Department of Public Works; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

The Minutes of January 23, 1990 were approved as submitted.

3. QUALIFYING ORGANIZATIONS - FUTURE PLANNING SUBCOMMITTEE

Future Planning Subcommittee

A general discussion of the planning requirement for the Open Space Program was held. (Section (c)(7) of Proposition E)

It was agreed that the meeting dates for the months of March, April, May (on the second Tuesday) be devoted to the subject of future planning. The future planning recommendations would be presented to the full Committee in June.

Proposed agenda items for future meetings:

- 1) On-going commitments and target completions.
- 2) Possible new projects.
- 3) Is Open Space Program meeting Proposition E objectives.
- 4) How is public input received and handled.
- 5) Implications of handicap access requirements.

Qualifying Organizations

It was unanimously agreed to include comments from the public on this item. The question was how to interpret Section (g)(3) of Proposition E. The intent was to make recommendations to the Board of supervisors on how to implement that section.

Recommended Criteria:

- 1) Organizations should be City-wide in focus.
- 2) Organizations should have a San Francisco address.
- 3) Provisions of Proposition E, Section (g)(3) would apply regarding goals of qualifying organizations.

It was agreed that the Open Space Committee would request information from various organizations. Information would include name of organization, address, membership, membership criteria, goals and other items. Bob Dutra and Nancy Larson were delegated to develop the background questionnaire to be mailed by staff.

4. REVIEW OF FINAL 1990-91 RECOMMENDATIONS

The Committee reviewed the final allocation recommendations for 1990-91. A discussion was held regarding the Natural Areas Banking category and the priorities of the individual items in that category. It was agreed that all items in the category could be considered for acquisition but that the priorities would be followed in case more properties become available than funds in the category would allow for simultaneous purchase.

The allocation recommendations were unanimously adopted.

5. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Open Space/Park Renovation Citizens Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

6. ADJOURNMENT

The meeting was adjourned at 9:00 p.m.

Note: These minutes set forth all actions taken by the Open Space Park Renovation Citizens Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

2. APPROVAL OF MINUTES

DOCUMENTS DEPT.

Minutes of the February 13, 1990 meeting were approved.

MAY 4 1990

SAN FRANCISCO
PUBLIC LIBRARY

3. DEALING WITH PUBLIC COMMENT

Phil Arnold reported to the Committee that the City Attorney has advised that public comment should be allowed on every item which has not been the subject of a public hearing. A general discussion was held on procedures for receiving public comment. There was general agreement that public comment should be received by the Committee on each item after the item has been introduced and summarized but before the Committee has discussed the item in detail. The Committee further requested that staff provide speaker cards for members of the public who may wish to address the Committee. The Committee further agreed to allow 3 minutes of comment for individuals and 5 minutes for organizations. These guidelines were adopted unanimously by the Committee.

4. QUALIFYING ORGANIZATIONS

The form sent to various organizations which might be interested in nominating persons to the Open Space Committee was distributed to the Committee (see attached).

5. FUTURE PLANNING

The Committee scheduled a special meeting of the Future Planning Subcommittee for March 28 at 7:00 p.m. to discuss development of the five year plan for open space required by Proposition E.

Steve Shotland reviewed the Recreation and Open Space Element of the Master Plan and the programs for implementing the Open Space Element. He also reviewed the accomplishments of open space acquisition, development and renovation under the Open Space Program.

Minutes

Open Space/Park Renovation Citizens Advisory Committee

Page 2

March 13, 1990

Major developments are underway which may involve the Open Space Program in the future. These areas include Rincon Point and South Beach as well as some properties under the jurisdiction of the Port. The Sunset and Oceanview are also identified as areas for future open space development.

A general discussion was held on the subject of guidelines and procedures for the Committee's five year plan.

7. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Open Space/Park Renovation Citizens Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

Terry Ow-Wing, Committee Co-Chair, announced an out-of-court settlement for the purchase of the Cathay Mortuary as the site of the Chinatown Park. Details of the settlement will be revealed once they are reviewed by the Recreation and Park Commission and the Board of Supervisors.

8. ADJOURNMENT

The meeting was adjourned at 9:00 p.m.

Minutes prepared by Phil Arnold.

Note: These minutes set forth all actions taken by the Open Space Park Renovation Citizens Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

AMENDED MINUTES

DOCUMENTS DEPT.

Tuesday, April 10, 1990 - 7:00 P.M.
McLaren Lodge, Golden Gate Park - Commission Room

SEP - 4 1990

SAN FRANCISCO
PUBLIC LIBRARY

1. ROLL CALL

Members Present: Hilary Lamar, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Dan Hodapp; Patricia Kennedy; Lonnie Lawson; Harvey Louie; Juanita Raven; Willa Sims; Rich Sorro; and Midge Wilson

Members Absent: Robert Cramer; Geraldine Earp; Bonnie Fisher; Jeff Henne; Nancy Larson; Louis Loewenstein; Lynne Williams; and Paul Wotman

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner; and Tim Lillyquist, Assistant to the General Manager, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

Willa Sims requested that the minutes of the last meeting be corrected to show that she was present at that meeting. The minutes of were approved with that correction.

3. CONSIDERATION OF FIVE YEAR PLAN FOR OPEN SPACE

The plan was presented by Subcommittee Chair, Dan Hodapp. It was agreed that Section E (1), on-going city-wide renovation, be amended to add a \$350,000 allocation for lighting over the four remaining years of the plan, even though no allocation was made in 1990/91.

It was also the consensus that the allocation for roofing was not adequate and that, while no change in the plan be made, the Committee should consider a larger allocation for roofing in future years.

After a quorum was secured, Bob Dutra moved that the Five Year Plan be adopted and it was unanimously approved.

4. CONSIDERATION OF REQUEST FROM THE MAYOR TO CONSIDER THE ACQUISITION AND DEVELOPMENT OF AN ICE RINK

Harvey Louie pointed out that 5 lots, zoned for 4 units/lot, were involved and that acquisition alone could be \$1,000,000. Committee discussion ensued about how, given the poor condition of the building, and the small size and limited usefulness of the rink, that perhaps another site already owned by the city would make a better place to develop a rink. Deborah Learner noted that the sewage plant in Golden Gate Park would be demolished in the future, and that it might make a good site for a rink.

Dan Hodapp agreed to chair a committee to study the matter. Lynn Altshuler will be on committee and Tim Lillyquist will staff. Phil Arnold suggested contacting the owner to arrange for inspection by city engineers.

Appendix

The following sections provide a detailed exploration of the topics listed in the table of contents. Each section is designed to be self-contained and accessible to students with a background in basic mathematics. The book is intended for use as a textbook in a first-year university course or as a reference for students and professionals alike. The authors have striven to present the material in a clear and concise manner, with numerous examples and exercises to aid in understanding. The book is published by [Publisher Name] and is available in both print and digital formats.

5. CONSIDERATION OF RECREATION PROGRAM FOR TRANSPORTATION, CAMPING EQUIPMENT AND PLAY EQUIPMENT (\$100,000) RECOMMENDED FOR FUNDING IN FISCAL YEAR 1990-91

Phil Arnold explained staff's concept of how such a program should operate (see draft attached). He felt that these funds should not go to non-profit groups, but be managed with existing Department supervision.

Harvey Louie felt that the Department should not fund day trip activity as money was available from the private sector for this purpose.

Amy Dawson, Director of the Randall Museum (which also requested funding under this program), hoped the money would not become too diluted by being spread across all high need centers. Lynn Altshuler agreed, saying that a pilot program should be set up in one or two areas. Terry Ow-Wing agreed that money wasn't meant to go to non-profits but felt that, since the proposal came from the Chinatown community, a large portion of the allocation should go to meet the unique needs of that community.

Mary Beth Cody, of Parents and Kids to Save the S.F. Ice Rink, stated the importance of this rink to the fabric of the community and pointed to the thousands of signatures gathered in support of acquisition. Her son Brendon expressed concern that, without the rink, kids would find less desirable activities to fill their time. Loss of the rink, he said, would be a "major bummer". Mary Beth also reminded the committee of letters of support from the Mayor and several members of the Board of Supervisors. She also said that Assemblywoman Speier had indicated that state funding might be available to assist in acquisition.

Final action on the Rink and the Recreation Program was continued to the May 8 meeting because the Passover holiday precluded some of the supporting public from attending this meeting.

6. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Open Space/Park Renovation Citizens Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

The meeting was adjourned at 9:00 p.m.

Minutes prepared by
Tim Lillyquist

Note: These minutes set forth all actions taken by the Open Space Park Renovation Citizens Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1990-91 OPEN SPACE PROGRAM

RECREATION PROGRAM

April 10, 1990

The 1990-91 recommendations from the Open Space Committee include \$100,000 for a recreation program serving areas of the City which are deficient in parks, open space and recreational services. The specific components of the program that were requested include transportation, part-time recreation directors, camping equipment and recreation equipment for pre-school youth. Specific requests for program funding were submitted by the Committee for Better Parks and Recreation in Chinatown and by the Director of the Randall Museum. Representatives from the Tenderloin and South of Market asked to be included in such a program. Staff was requested to prepare program guidelines. These draft guidelines are as follows:

1. SCOPE: The program should be developed with a City-wide perspective and an overall funding target. Each request was for approximately \$100,000. At this funding level, a city-wide program could cost as much as \$1.5 million annually.
2. FOCUS: The program should be focused on existing recreation centers in order to complement existing programs. Existing recreation centers in high-need areas include Oceanview, Portola, Potrero Hill, Hunters Point, Joseph Lee, Chinese Recreation Center, Chinese Playground, 6th and Folsom, Boeddeker/Tenderloin Recreation Center, St. Mary's Recreation Center, Hamilton Recreation Center, North Beach Playground and Mission Recreation Center. The Randall Museum is not located in a high need area, but has developed an outreach program which would serve such areas both by bringing people from those areas to the Randall Museum and by bringing programs and staff from the Randall Museum to those areas.
3. PRIORITIES: The program should establish transportation as a priority. The Recreation Division has agreed to reallocate staff in some cases to better serve high need areas. Reallocations have already been made in some cases. The Recreation Division has also agreed to provide additional equipment for pre-school youth. The provision of camping equipment is not a normal activity for the Recreation Division.

The program should be focused on youth (up to 18) and seniors. Adult family members of program participants should be accommodated only as supervising chaperones.

Destinations should be limited to those sites not readily accessible by public transportation.

4. FUNDING DISTRIBUTION: Once the program sites are identified, funding should be allocated based on estimates of high need populations served by each site.
5. FUNDING DECISIONS: The Assistant Recreation Supervisor in charge of each program site should be delegated the responsibility to determine specific program destinations within available funding.
6. PARTICIPATION: The Assistant Recreation Supervisor in charge of each program should establish procedures to ensure that this program is widely publicized within the area served by each participating recreation center. In cases where demand for the program exceeds program capacity, procedures should be established to maximize the number of individuals who can be served.
6. REPORTING: The Assistant Recreation Supervisor in charge of each site should prepare a quarterly report on the expenditure of funds under this program.

1. ROLL CALL

Members Present: Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Bonnie Fisher; Jeffrey Henne; Dan Hodapp; Lonnie Lawson; Harvey Louie; Juanita Raven; Willa Sims; and Rich Sorro

Members Absent: Robert Cramer; Robert Dutra; Geraldine Earp; Patricia Kennedy; Hilary Lamar; Nancy Larson; Louis Loewenstein; Lynne Williams; Midge Wilson; and Paul Wotman

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner; and Tim Lillyquist, Assistant to the General Manager, of the Recreation and Park Department

2. APPROVAL OF MINUTES

The April 10, 1990 minutes were amended to note that the holiday referred to was Passover. The minutes were approved as amended.

3. CONSIDERATION OF REQUEST FROM THE MAYOR TO CONSIDER THE ACQUISITION AND DEVELOPMENT OF AN ICE RINK

Tim Lillyquist presented the attached report on the costs of developing an ice rink at the 48th Avenue site and the Yerba Buena site.

Harvey Louie reported that there have been no City inspections of the ice rink at 48th Avenue and no permits for upgrades other than signage are on record. Juanita Raven asked what the costs of operation of an ice rink would be. Staff responded that additional research would be conducted.

A substantial amount of public testimony in favor of preserving the ice rink at its present location was provided to the Committee. Proponents included Supervisor Bill Maher, James French, Karen Wood, Mark Hull, Marie Bafus, Irene Tom, Marybeth Cody, and Committee member Lynn Altshuler on behalf of Supervisor Angela Alioto.

A report was presented by Karen Wood from a private architectural firm indicating that the facility at 48th Avenue could be renovated rather than demolished. Given the difference from the Department of Public Works findings, further study of the 48th Avenue facility was requested. The report is attached to these minutes.

It was moved, seconded and unanimously adopted that up to \$5,000 be allocated to further investigation and study of more exact costs of renovation of the ice rink at 48th Avenue. Source of Funds: 1990-91 Open Space Program.

It was moved and seconded that the Open Space Committee investigate the possibility of matching funds or other outside funds for the acquisition and/or renovation of the ice rink. The Committee voted as follows:

Ayes: Altshuler, Dearman, Fisher, Henne, Hodapp, Lawson, Sims, Sorro

Noes: Louie, Raven

A subcommittee (Altshuler and Louie) was formed to further investigate the matter of the ice rink.

4. CONSIDERATION OF RECREATION PROGRAM FOR TRANSPORTATION, CAMPING EQUIPMENT AND PLAY EQUIPMENT (\$100,000) RECOMMENDED FOR FUNDING IN FISCAL YEAR 1990-91

A discussion paper prepared by staff on this item (attached) was summarized. Norman Yee and Norman Fong spoke on behalf of a program for Chinatown which would include transportation, recreation equipment for younger children and camping gear (statement from Norman Fong attached).

Amy Dawson summarized elements of a Randall Museum program to teach science and natural history in high need areas of the City and to bring children from high need areas to the Museum (proposal attached).

A representative of Yook Yau Ji Ga Daycare spoke on behalf of a program providing better transportation for young children in Chinatown (statement attached).

Terry Ow-Wing asked whether the Randall Museum would qualify for funding under the language of Proposition E which specifies service for "high need" areas. She proposed that the program recommended by the Committee be focused on transportation serving Chinatown, the Tenderloin and the South of Market. A general discussion ensued as to the conditions which would allow the Randall Museum to be included in a program designed to serve high need areas.

It was moved, seconded and unanimously adopted that a pilot transportation program be established serving Chinatown, the Tenderloin and South of Market, including a 20% allocation for the Randall Museum to service high need areas.

5. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Open Space/Park Renovation Citizens Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

Minutes

6. ADJOURNMENT

The meeting adjourned at 9:30 p.m.

Minutes prepared by

Phil Arnold

Assistant General Manager, Administration

Note: These minutes set forth all actions taken by the Open Space Park Renovation Citizens Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

May 8, 1990

To: Park and Open Space Advisory Committee
From: San Francisco Ice Rink Subcommittee
Re: Site Conditions at 1557 - 48th Avenue

A preliminary structural investigation of the building was performed by Mr. R.O. Appleton of the Bureau of Architecture, and Mr. Charles Eng of the Bureau of Engineering at no cost to the Department. A detailed structural analysis with ensuing written report would cost approximately \$4,000. DPW does not feel that such further analysis is warranted given the obvious problems with the facility. The following information was provided:

The structure appears to have been built in the 1930's, however, the mechanical systems seem to be older than that, indicating that the refrigeration equipment was "used" when installed. The building does not meet current code for public occupancy. Neither the roof nor walls are salvageable, and while the foundation could not be observed directly without excavation, it is their professional opinion that a new facility would have to be built from ground up.

A review of the file for this address at the Bureau of Building Inspection shows no record of the San Francisco Ice Rink ever having been inspected for code violation.

The Bureau of Architecture and contracting firm of Henry Chapot, Inc. estimated that the cost of constructing a similar ice skating rink on this site would be approximately \$2,100,000.

Harry Quinn of the Real Estate Department provided the following preliminary appraisal of the property in question (Assessor's Block 1894, Lots 62-66). The five lots are zoned RM-1, which given the size (25x120) permit three units per lot. The fair market value for the individual lots are \$105,000 each. However, the assembled value of the parcel would be \$665,000 since the resulting configuration allows the development of 19 units (one unit per 800 sq. ft). Demolition costs are estimated at \$250,000.

Estimated Project Cost:

Acquisition	\$665,000
Demolition	250,000
Construction	<u>\$2,100,000</u>
TOTAL	<u>\$3,015,000</u>

San Francisco Ice Rink, Cont.
May 8, 1990

Yerba Buena Rink:

Per the request of the committee the following information was obtained from the Redevelopment Agency concerning its proposed ice skating facility at Yerba Buena Center. The facility would be large enough to accommodate hockey and some seating for about 150 spectators. Square footage is as follows:

Rink and Bleacher area	22,800
Back House (equip. maint. etc.)	<u>6,990</u>
Total Square Footage	29,790
Cost per Sq. Ft.	\$ 152
Project Cost	\$ 5,431,000*

*Includes no land acquisition costs

May 8, 1990

Mrs. Karen Wood, Chair
Parents and Kids To Save the
San Francisco Ice Rink
35 Sequoia Way
San Francisco, CA 94127

Project: San Francisco Ice Rink
1557-48th Avenue
Subject: Building Observation

Dear Mrs. Wood:

We have visited the S.F. Ice Rink facility at 48th Avenue and Noriega, and per your request, comment as follows regarding code up-grade and retrofit of said facility.

The rink is virtually in the original state as when it was built (circa 1920). Original drawings are possibly in existence in Building Department files, and should be obtained if available, particularly if a more definitive building evaluation is contemplated.

STRUCTURAL OBSERVATIONS

1. Existing steel roof trusses, purlins, and columns seem to be in good condition. Tests and calculations would have to be performed to determine adequacy for today's code requirements. As a minimum, lateral bracing would have to be up-graded.
2. Perimeter shear wall capability is virtually non-existent. The north concrete wall is de-laminating from moisture penetration and the west wall is hollow tile. The south and east walls are reinforced concrete. The north and west walls will have to be replaced. The south and east walls will have to be reinforced as a minimum.

ARCHITECTURAL OBSERVATIONS

1. The existing metal roof is deteriorated and has been overlayed with a mineral surface asphalt cap sheet. A permanent replacement is required.
2. All perimeter walls will require an architectural up-grade, in conjunction with the previous structural comments.

c:\wp\p\icerink

3. Total interior architectural refurbishment is needed. Deck, shop, toilet, restaurant, and rink area all need to be re-done.

MECHANICAL OBSERVATIONS

1. Toilet facilities (fixtures) will have to be replaced in conjunction with the previous architectural comments.
2. The heating system (ducts and registers at east wall) may not be effective or operable. Entire rink heating system and provision for supply and exhaust air will have to be rectified.
3. Ice making equipment appears to be original vintage. Replacement is likely to be in order.

ELECTRICAL OBSERVATIONS

1. Total re-do of all lighting is required.
2. Power supply for main building service and ice making equipment up-grade will require modifications and code up-grade.
3. Fire alarm and public address communications systems will require addition/replacement of same.

CODE REQUIREMENTS (EXITS, HANDICAPPED ACCESS AND FIRE RATING)

1. Code conforming exits will have to be provided.
2. All entrances, exits and public spaces (including toilets) will have to be made handicapped accessible.
3. Entire facility must be fire rated construction. It is not presently fire-rated. Fire-rated construction is an occupancy (A-2.1) requirement for "an assembly area of over 300 people". Conformance with this requirement is triggered (in general terms) by a retrofit that includes a 75% re-do of existing construction, which the above observations indicate would happen. Fire rated construction would require that all

Mrs. Karen Wood
May 8, 1990
Page 3

GEZ

structural steel must be fire-protected in an approved manner (rated ceilings, furring, etc.).

These observations are only meant to be a superficial assessment of the existing rink and its required improvements. A more detailed feasibility study is necessary if definitive costs and alternatives are to be determined.

We hope that our observations are helpful in providing you with preliminary information for your consideration relating to the SF Ice Rink.

Very truly yours,

A handwritten signature in cursive script that reads "Bradley B. Garretson".

1990-91 OPEN SPACE PROGRAM

RECREATION PROGRAM

April 10, 1990

The 1990-91 recommendations from the Open Space Committee include \$100,000 for a recreation program serving areas of the City which are deficient in parks, open space and recreational services. The specific components of the program that were requested include transportation, part-time recreation directors, camping equipment and recreation equipment for pre-school youth. Specific requests for program funding were submitted by several representatives from Chinatown and by the Director of the Randall Museum. Representatives from the Tenderloin and South of Market asked to be included in such a program. Staff was requested to prepare program guidelines. These draft guidelines are as follows:

1. SCOPE: The program should be developed with a City-wide perspective and an overall funding target. Each request was for approximately \$100,000. At this funding level, a city-wide program could cost as much as \$1.5 million annually.
2. FOCUS: The program should be focused on existing recreation centers in order to complement existing programs. Existing recreation centers in high-need areas include Oceanview, Portola, Potrero Hill, Hunters Point, Joseph Lee, Chinese Recreation Center, Chinese Playground, 6th and Folsom, Boeddeker/Tenderloin Recreation Center, St. Mary's Recreation Center, Hamilton Recreation Center, North Beach Playground and Mission Recreation Center. The Randall Museum is not located in a high need area, but has developed an outreach program which would serve such areas both by bringing people from those areas to the Randall Museum and by bringing programs and staff from the Randall Museum to those areas.
3. PRIORITIES: The program should establish transportation as a priority. The Recreation Division has agreed to reallocate staff in some cases to better serve high need areas. Reallocations have already been made in some cases. The Recreation Division has also agreed to provide additional equipment for pre-school youth. The provision of camping equipment is not a normal activity for the Recreation Division.

The program should be focused on youth (up to 18) and seniors. Adult family members of program participants should be accommodated only as supervising chaperones.

Destinations should be limited to those sites not readily accessible by public transportation.

4. FUNDING DISTRIBUTION: Once the program sites are identified, funding should be allocated based on estimates of high need populations served by each site.
5. FUNDING DECISIONS: The Assistant Recreation Supervisor in charge of each program site should be delegated the responsibility to determine specific program destinations within available funding.
6. PARTICIPATION: The Assistant Recreation Supervisor in charge of each program should establish procedures to ensure that this program is widely publicized within the area served by each participating recreation center. In cases where demand for the program exceeds program capacity, procedures should be established to maximize the number of individuals who can be served.
7. REPORTING: The Assistant Recreation Supervisor in charge of each site should prepare a quarterly report on the expenditure of funds under this program.

Committee for Better Parks & Recreation in Chinatown

c/o Wu Yee Resource & Referral 777 Stockton #202
San Francisco, California 94108

May 8, 1990

Re: OPEN SPACE RECREATION PROGRAM '90 - '91

Dear members of the Open Space Advisory Committee:

My name is Rev. Norman Fong and I am here tonight on behalf of the Committee for Better Parks & Recreation in Chinatown and a number of community groups and service providers who serve children, parents, tenants, youth and seniors in the Chinatown-North Beach Area.

We are extremely pleased with your willingness to implement an open space recreation program that will help people in our community to explore and enjoy recreational areas not readily accessible by public transportation.

We have read your draft recommendations for the program and have a few comments to make:

CITY-WIDE We noticed that our proposal which focused on the needs of the Chinatown Northbeach Areas was expanded to a "city-wide" perspective. We are deeply concerned that this may cut back or dilute the original intent of our proposal. The point being that Chinatown is uniquely over-crowded with many families without cars more than most communities. If the program must be city-wide, we would hope that you take into account the high-density of Chinatown and the fact that many in our community do not have cars.

BEYOND CITY-WIDE TRIPS We also noticed that a proposal from the Randall Museum was incorporated with our proposal. Although an occasional trip to the Randall Museum would be great, we had hoped for transportation help within and outside the bounds of San Francisco. Right here I'd like to interject a personal note:

For the past 11 years, I have coordinated a summer school and recreation program in Chinatown for hundreds of newcomer youth. All of our trips are by public transportation or by foot., except for one trip which we charter buses for... That trip each year is to the Sonoma County Fair. I wanted each newcomer to have a "county fair" experience for once in their lives. The Sonoma County Fair folks always tell me that we can bring as many bus loads as we want and they would let us into the fair - for free! All we had to do is rent the buses.

Wouldn't it be great if we could bring hundreds of kids, families and seniors to a county fair? There are so many places we could take folks outside of San Francisco that would be meaningful, recreational & educational for folks of all ages. Below is a listing of a few trips different service providers in our committee have suggested as potential Park & Rec Trips:

Pre-schoolers (and parents)

Farm: Ice Cream Factory (Oakland); A warm beach; Lawrence Hall of Science. Tidepools (half-moon bay); Tilden Park: Fruit picking, Hiking area... Coyote Point Muscum...

Page Two

Youth

Overnight Camping Areas. Point Reyes, Tilden Park. Festivals (i.e. Pumpkin Patch), Fruit Picking, Airport tours, Jelly Bean Factory, # of Rec/Parks around the Bay Area..& the Golden Gate Rec. Area...

Seniors (with special considerations for handicapped)

Festivals, Gold Rush Country, Fruit Picking etc. once in a while, but unlike younger groups who can get around on public transportation, many seniors can't. Bus trips within SF would be fine. Trips to "Dine Out", to catch the Ferry Boat. To a teddy bear factory ... Of primary concern to On Lok folks though - wheel chair access.

'RECREATION AS RE-CREATING' (closing comments)

Growing up in a crowded "concrete jungle" can often times limit one's perspectives on what recreation can be. For me as a chinatown kid, recreation meant two things: 1) Sports 2) Causing Trouble... Killing time by destroying property or fighting other gangs.

For me to change my life at a volatile period in my life, I had to get out of the concrete jungle. Some youth director got me to work work as a bus boy in Muir Woods and I ended up loving a totally different environment and ended up experiencing - a "re-creational" change in my life.

I believe the proposed Open Space Re-creational Program will be effective for our community if the programs include trips beyond the city-wide limits and secondly, if it does not become too diluted in the name of a city-wide perspective.

Thank you so much for your serious consideration of our proposal and we look forward to enjoying the fruits of your labor. If you need further input from our committee please let us know.

Cordially,

Rev. Norman Fong

THE RANDALL MUSEUM

May 8, 1990

San Francisco Open Space and Park Renovation
Citizens Advisory Committee
McLaren Lodge
Golden Gate Park
San Francisco, CA 94117

Dear Open Space Committee Members,

In my funding requests to you last year, I asked for \$100,000 to develop a children's science program for some of the more disadvantaged areas of the city. As the Museum and several other facilities will now be sharing a total of \$100,000, I would like to present a new proposal that would eliminate two items in our original request: the purchase of a van and the hiring a naturalist to run the program. Museum staff and volunteers can be used to staff the program and an older van presently at use at the Museum could be used for this program as well.

PROPOSED PROGRAM

Program: The program will teach science/natural history to children using a recreational, hands-on approach. The first part of the program would be to have the naturalist visit the school, playground or community center to give a presentation, followed by one or two visits to our 16 acre hill where they would further explore the topics they were introduced to in the first visit. We presently have been running a pilot program with McKinley School and feedback from teachers involved has been very favorable. This program can further be developed for other schools, playgrounds and centers.

Mckinley School Pilot Program:

The pilot program at Mckinley School emphasises science activities that cannot be carried out in a classroom and that expand the student's hands-on experience through field based learning on the Museum's hill.

The student's observational skills are developed by interpreting the natural history of Corona Heights using the Museum's collections (live animals, butterflies, plants and minerals). Other activities include learning how to use a compass and read a map, understanding and making a sundial, and making sedimentary layers in plastic containers.

The age range is K-5 and includes an English as a Second Language group of students grades 2-3 and a group of Emotionally/mentally or learning handicapped students in grades 3-5. The total number of students participating is 96.

Recipients:

Schools, Recreation and Park Department playgrounds, and other community groups from designated high need areas. Primarily the south/southeast and northeast areas of the city such as:

Playgrounds: Oceanview, Portola, Potrero Hill, Hunters Point, Joseph Lee, Chinese Recreation Center, Chinese Playground, 6th and Folsom, Boeddecker/Tenderloin Recreation Center, St. Mary's Recreation Center.

Elementary and Middle Schools (by Zip Code):

94103: Bessie Carmichael

94107: Filipino Education Center, Starr King, Daniel Webster & Potrero Hill

94109: Redding & Spring Valley

94108: Commodore Stockton

94110: Bryant, Leonard R. Flynn, Hawthorne, Paul Revere, Junipero Serra, James Lick & Horace Mann;

94111: Chinese Education Center

94112: Cleveland, Guadalupe, Longfellow, Monroe, San Francisco Community, Sheridan, Sunnyside, Luther Burbank & James Denman;

94124: Sir Francis Drake, George Washington Carver, Bret Harte, Dr. Charles Drew & James Lick;

94133: Garfield, Yick Wo, Francisco;

94134: El Dorado, Hillcrest, E.R. Taylor, Visitation Valley, Dr. Martin Luther King Jr.

Community Programs: (I have not yet been in contact with these centers, but wanted to provide some examples)

Chinatown Youth Center, Jamestown Community Center, Geen Mun Neighborhood Center, Bernal Heights Neighborhood Center, Potrero Hill Neighborhood House, Salvation Army, Boys and Girl's Clubs. YMCA & YWCA groups from designated areas.

Equipment:

We are developing a Science Room/Lab at the Museum where this and other programs would be based. Ideally, we need about \$25,000 to purchase furniture, equipment, supplies and materials. I have attached a breakdown of these costs. We are also looking to other sources for funding some of these costs.

Transportation:

At an estimated \$300 to charter a bus for 4 hours, we could piggyback two groups and have approximately 150 groups participate for \$50,000 worth of transportation. This would mean that each group would receive an on-site visit and two visits to the Museum.

SUMMARY:

I would like for you to consider funding all or part of this proposal with a portion of the \$100,000 now being considered for transportation, camping and play equipment.

The use of open space funds for this program is very a appropriate and efficient use of the same because it:

1. promotes the use an existing city owned natural area and an underutilized Recreation and Park Department facility, both benefiting from Open Space funds for renovation.
2. serves high need areas of the city that do not have easy access to the Randall Museum and that are deficient in parks, open space and recreational activities.
3. would be administered by one Recreation and Park Department facility and yet have city-wide impact.

4. will be enjoyed by a variety of recipients: schools, playgrounds and other private community organizations.
5. would provide equipment that can be utilized by other programs at the Museum- including the afterschool classes.
6. would be aiding the schools in providing better science education.

Respectfully submitted,

Amy L Dawson

Amy L. Dawson

RE: Science Room Equipment Budget

4/6/90

Equipment:

Stereo microscopes (12 @ \$500)	6000
Compound microscopes (12 @ \$500)	6000
Binoculars (12 @ \$150)	1800
Macintosh computer, SE20	2000
computer software	500
Greenhouse window	1000
Weather station	500
Balance (digital)	500
Video cassette recorder	400
Aquaria (3 @ \$125)	375
Daypacks (15 @ \$20)	<u>300</u>

Supplies:

Daypack materials (magnifiers, compasses, etc.)	300
Local topo maps	100
Misc. general science	400

Furniture:

(See Memo 1/17/90)	2000
Stools (15 @ \$40)	<u>600</u>

Total 22,775

PRIORITIES:

1. (\$7400) - Furniture, 6 stereoscopes, 3 compound scopes, 6 binoculars
2. (\$8425) - everything but items below.
3. (\$6950) - 3 stereoscopes, 6 compound scopes, 3 binoculars, Macintosh

TO: Amy Dawson
FROM: John Dillon
RE: Science Room - Estimated Costs for Furniture
January 17, 1990

1. Work Tables (2)	(\$160 each)	320
36" high x 36" wide x 60" long formica top		
2. Counter - south wall extension, match existing		150
36" high, 26" deep, 96" long formica top		
3. Counter - north wall		350
36" high, 26" deep, 19 feet long		
4. Wall Cabinets (4) - to match existing	(\$150 ea.)	600
48" wide, 24" high, 14" deep with doors, 1 shelf		
5. Standing Closet		350
48" wide, 26" deep, 72" tall		
6. Resurface existing counter		100
Total		\$1850*

*This assumes construction in the Museum's shop. Prices will likely be higher if contracted out to an outside shop. For this reason, \$2000 may be a more realistic minimum estimate.

A PRESBYTERIAN CENTER FOR EARLY CHILDHOOD EDUCATION
SPECIALIZING IN BILINGUAL-BICULTURAL AND CHRISTIAN CHILD DEVELOPMENT

May 8, 1990

To: Recreation and Parks Commission

From: Yook Yau Ji Ga Daycare

Yook Yau Ji Ga Daycare urges you to provide field trip buses for the children of Chinatown. Currently, our program provides our 36 children, ages 2.5 to 5 years, with no field trip opportunities. This means that recreational experiences for our children are limited to a small alley behind our building and our neighborhood parks.

Our biggest concern is the lack of exposure our children receive to nature. Experiences that are common for the majority of children entering kindergarten, are foreign to the immigrant children we serve. Our children have never experienced a farm, a beach, a train or fall leaves. The majority of our parents work long hours and are unable and unaware of the need for such concrete experiences to building language and reading skills. Their opportunities for gross motor development and free play in open space are similarly limited.

Please help the children of Chinatown have access to the natural beauty of the Bay Area. Our children need to the equal opportunity to see beyond concrete and steel.

Sincerely,

Jeanne Choy Tate
Director

MINUTES

Tuesday, June 12, 1990 - 7:00 P.M.
McLaren Lodge, Golden Gate Park - Commission Room

1. ROLL CALL

Members Present: Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Bonnie Fisher; Jeffrey Henne; Dan Hodapp; Patricia Kennedy; Lonnie Lawson; Louis Loewenstein; Juanita Raven; Willa Sims; and Midge Wilson

Members Absent: Robert Cramer; Geraldine Earp; Hilary Lamar; Nancy Larson; Harvey Louie; Rich Sorro; Lynne Williams; and Paul Wotman

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner; and Tim Lillyquist, Assistant to the General Manager, of the Recreation and Park Department

2. APPROVAL OF MINUTES

The minutes of April 10 and May 8, 1990 were accepted.

3. ELECTION OF NEW OFFICERS

Juanita Raven, Jeff Henne and Lonnie Lawson formed an Ad Hoc Nominating Committee. It was moved and seconded that the Committee have two co-chairs, that each co-chair serve for two years and that the terms of the co-chairs be staggered. Dan Hodapp and Bob Dutra were nominated for the co-chair position being vacated by Hilary Lamar, who is finishing her second year as co-chair. Bob Dutra withdrew. Dan Hodapp was elected unanimously.

There was a general discussion as to the need for a parliamentarian in the future. The committee voted 11-2 to eliminate the position of parliamentarian. Committee Members Louis Loewenstein and Juanita Raven voted no.

4. CONSIDERATION OF ORGANIZATIONS SEEKING TO NOMINATE PROSPECTIVE MEMBERS OF THE OPEN SPACE COMMITTEE

The Committee moved to recommend to the Board of Supervisors that the attached list of organizations be adopted for purposes of making nominations to the Open Space Committee. Staff was directed to write the appropriate letter to the Clerk of the Board of Supervisors.

5. CONSIDERATION OF OPEN SPACE COMMITTEE PROCEDURES

The City Attorney has stated that a quorum of the Committee is 12 members. Therefore, 12 members must be present for the Committee to conduct business. The Committee can decide how many votes are required to pass a motion, provided that a quorum is present.

It was moved and seconded that passage of a motion requires a simple majority of those present, provided that a quorum is present.

6. CONSIDERATION OF THE SAN FRANCISCO ICE RINK FOR POTENTIAL OPEN SPACE ACQUISITION

A private engineering firm submitted a \$7,000 proposal to prepare a report on the cost of renovating the San Francisco Ice Rink at 48th Avenue. Tim Lillyquist explained that City policy is to have City employees perform architectural work if possible. He also explained that a private consultant contract will require several months for approval. The Department of Public Works has agreed to report on the cost of renovating this facility. The City Planning Department has requested that information on the cost of renovating the ice rink be provided as soon as possible because a demolition permit for this facility is pending before the City Planning Commission.

Public testimony was received from the **Golden Gate Audubon Society, the Native Plant Society and Zach Cowan** stating that the priority for open space funds should be acquisition of natural open space rather than the acquisition and renovation of the San Francisco Ice Rink. They suggested that alternate sources of funding are available for preserving the ice rink. Three members of the public (**Karol Dietrich, Constance Aldridge and Karen Wood**) supported preserving the ice rink for its unique qualities and because of the Citywide support that this ice rink has generated.

The owner of the San Francisco Ice Rink stated that the land value of his property is \$1.75 million based on a bank construction loan for the development of this property. He stated that the existing facility accommodates approximately 1,000 per week and has a maximum capacity of 499.

It was moved and seconded that up to \$5,000 be allocated to the Department of Public Works for a study of the cost of renovating the San Francisco Ice Rink, including bringing the facility up to current City codes.

The motion passed 10-3. Committee Members Dearman, Raven and Wilson voted no.

It was moved and seconded that a special meeting of the Committee be scheduled for Tuesday, July 17, 1990, at 7:00 p.m. to consider the result of the Department of Public Works report on the ice rink.

7. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Open Space/Park Renovation Citizens Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

8. ADJOURNMENT

The meeting adjourned at 9:00 p.m.

Minutes prepared by

Phil W. Arnold
Assistant General Manager for Administration

Note: These minutes set forth all actions taken by the Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Bonnie Fisher; Jeffrey Henne; Patricia Kennedy; Hilary Lamar; Lonnie Lawson; Louis Loewenstein; Harvey Louie; Juanita Raven; Willa Sims; Rich Sorro; Midge Wilson; and Jill Hallinan

Members Absent: Robert Cramer; Robert Dutra; Geraldine Earp; Nancy Larson; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner; Tim Lillyquist, Assistant to the General Manager; and Nan Neal, Assistant Superintendent of Recreation - Community Services, of the Recreation and Park Department; and Mary Gallagher of the Department of City Planning

2. APPROVAL OF MINUTES

The minutes of June 12, 1990 were unanimously adopted.

New member Jill Hallinan, appointed by Supervisor Alioto, was introduced to the Committee.

3. CONSIDERATION OF THE SAN FRANCISCO ICE RINK FOR POTENTIAL OPEN SPACE ACQUISITION

A report to the Department of Public Works by Chapot & Associates was reviewed by Tim Lillyquist. The report recommended that the existing structure be abandoned and that a new structure be built. The estimated cost of building a new structure (\$1.8 million) would be less than that of restoring the existing building (\$2 million).

On the subject of operating costs, information from municipal rinks operated in Minnesota suggests that annual costs of operating an ice rink would be approximately \$400,000.

James French, Roberta Boomer (on behalf of Supervisor Bill Maher), and Captain John Gleeson of the San Francisco Police Department spoke on behalf of preserving the San Francisco Ice Rink because of its recreational value and because of the lack of other ice skating facilities in the area.

Kelly Cullen of Tenderloin Youth Advocates spoke against using Open Space funds for acquisition and operation of the San Francisco Ice Rink because of other priorities for the Open Space Program which have already been identified.

Mark Hull spoke on the potential for marketing the San Francisco Ice Rink to increase usage and awareness of the facility. He stressed advertising and use of discounts as a way to increase use of the ice rink.

Joe Thurston, owner of the San Francisco Ice Rink, stated that his facility is losing money and that interest in skating is declining. He reported that his annual operating costs are approximately \$250,000-\$300,000. Mr. Thurston estimated annual revenues at \$150,000-\$190,000. He also stated that he cannot obtain liability insurance and therefore has curtailed some activities.

Karen Wood spoke on behalf of saving the San Francisco Ice Rink and cited the support of over 4,000 individuals and organizations from all over the city for preserving the San Francisco Ice Rink. She requested more time to consider this issue. Specifically, Ms. Wood asked for a sales agreement which would be based on raising the necessary funds to rehabilitate the ice rink before escrow closed. She also asked for a more detailed study of costs of rehabilitation and of potential revenues from operation of the ice rink.

Mary Gallagher from the Department of City Planning stated that the Planning Commission would be considering a demolition permit for the San Francisco Ice Rink sometime in August.

A motion was made and seconded that the Park and Open Space Advisory Committee allocate acquisition funding as a priority for the San Francisco Ice Rink in the 1991-92 Open Space plan contingent upon the receipt of renovation funds from other sources. The motion failed.

Ayes: Lynn Altshuler, Ina Dearman, Jill Hallinan, Dan Hodapp, Willa Sims

Noes: Bonnie Fisher, Jeff Henne, Patricia Kennedy, Hilary Lamar, Lonnie Lawson, Harvey Louie, Terry Ow-Wing, Juanita Raven, Rich Sorro, Midge Wilson

Abstained: Louis Loewenstein

It was moved, seconded and adopted that Open Space funds not be allocated to acquisition of the San Francisco Ice Rink.

Ayes: Bonnie Fisher, Jeff Henne, Patricia Kennedy, Hilary Lamar, Lonnie Lawson, Louis Loewenstein, Harvey Louie, Terry Ow-Wing, Juanita Raven, Rich Sorro, Midge Wilson

Noes: Lynn Altshuler, Ina Dearman, Jill Hallinan, Dan Hodapp, Willa Sims

Abstained: Juanita Raven

It was moved, seconded and adopted that the approved recommendation of the Committee on the Ice Rink be sent to parties interested in this issue.

Ayes: Ina Dearman, Bonnie Fisher, Jeff Henne, Dan Hodapp, Patricia Kennedy, Hilary Lamar, Lonnie Lawson, Louis Loewenstein, Harvey Louie, Terry Ow-Wing, Juanita Raven, Rich Sorro, Midge Wilson

Noes: Lynn Altshuler, Jill Hallinan, Willa Sims

4. STAFF REPORTS

- ° On August 7, the City Services Committee of the Board of Supervisors has tentatively scheduled an item to consider approving environmental organizations which can nominate candidates for the Park and Open Space Advisory Committee. Once the organizations are approved, they will nominate candidates for consideration by the Board of Supervisors.
- ° Telegraph Hill -- A major crack has opened on Telegraph Hill and the Mayor's Office has suggested that Open Space funds be used to remove material that is in danger of falling on property below. The City Attorney has stated that such a use of Open Space funds would be legal.
- ° Transportation -- Nan Neal, Assistant Superintendent of Recreation - Community Services, reported that preliminary guidelines for the allocation of 1990-91 Open Space funds for transportation have been established. The Committee designated Terry Ow-Wing, Rich Sorro and Midge Wilson to discuss these guidelines with staff.

5. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

Kelly Cullen expressed concern about the environmental issues which have slowed the acquisition of the new Tenderloin Park on Ellis Street.

6. ADJOURNMENT

The meeting adjourned at 9:15 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1. ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Geraldine Earp; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Hilary Lamar; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Juanita Raven; Willa Sims; Rich Sorro; Lynne Williams; and Midge Wilson

Member Absent: Robert Cramer; and Bonnie Fisher

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Amy Dawson, Randall Museum Director; Tim Lillyquist, Assistant to the General Manager; Paula Hamilton, Assistant Recreation Supervisor; Martha McClain, Principal Recreation Supervisor; Nan Neal, Assistant Superintendent of Recreation - Community Services; and Joanne Wilson, Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

The minutes of July 17, 1990 were unanimously adopted.

3. CONSIDERATION OF 1990-91 MEETING SCHEDULE

The following schedule of meetings was adopted:

October 2, 1990	Tuesday	Public Hearing
October 11, 1990	Thursday	Public Hearing
October 13, 1990	Saturday	Tour
October 16, 1990	Tuesday	Meeting #1
October 24, 1990	Wednesday	Meeting #2
November 1, 1990	Thursday	Meeting #3
November 8, 1990	Thursday	Meeting #4
November 14, 1990	Wednesday	Meeting #5
December 6, 1990	Thursday	Meeting #6
December 13, 1990	Thursday	Meeting #7
January 9, 1990	Wednesday	Meeting #8
January 15, 1990	Tuesday	Meeting #9

All meetings, except for October 13, will commence at 7:00 p.m. The October 13 tour will commence at approximately 9:00 a.m.

4. CONSIDERATION OF REVISIONS TO 5 YEAR OPEN SPACE PLAN

The five year plan was distributed to Committee members. It was noted that recommendations from last year's Committee were adopted by the City Planning Commission, Recreation and Park Commission and Board of Supervisors. The five year plan needs to be updated annually. The Committee decided to defer further discussion of the five year plan until after the conclusion of public hearings scheduled for October 2 and 13, 1990.

5. CONSIDERATION OF REVISIONS TO COMMITTEE OPERATING RULES AND PROCEDURES

The Committee voted to take action by a majority vote of those present, provided that a quorum is present (at least 12 members).

The Committee agreed not to establish subcommittees.

It was noted that there are three vacancies on the Committee. Appointments are pending from the Mayor, Supervisor Nelder and Supervisor Gonzalez. Staff distributed copies of the legislation adopted by the Board of Supervisors which authorizes various environmental organizations to nominate members for the Park and Open Space Advisory Committee. Each member of the Board of Supervisors appoints two Committee members, one of which must be nominated by one or more of these environmental organizations.

Staff presented the Committee with a draft of a form to be used by anyone seeking Open Space funding for 1991-92 (see attached).

6. STAFF REPORTS

Martha McClain, Principal Recreation Supervisor, and Paula Hamilton, Assistant Recreation Supervisor, reported on the current status of the After School Program which is funded under the Open Space Program. The After School Program receives the majority of its funding from the Open Space Program. A new site at Balboa High School is about to be opened (September or October). A question was raised as to what happens when it rains. Three sites do not have indoor space and therefore do not function when it rains.

Nan Neal, Assistant Superintendent of Recreation - Community Services, and Amy Dawson, Randall Museum Director, reported on the status of the Transportation Program approved as part of the 1990-91 Open Space Program (see attached). The Randall Museum will be focusing on elementary schools. The Chinatown/North Beach, Tenderloin and South of Market program will focus on non-profit providers.

7. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

Cheryl Arnold and Vivian Goodman spoke on behalf of allocating Open Space funds to the acquisition of Parcel 4 at Ocean Beach.

8. ADJOURNMENT

The meeting was adjourned at 8:45 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

August 1, 1990

Dear Applicant:

On behalf of the San Francisco Recreation and Park Department Open Space Advisory Committee, I am writing to inform you of the application procedure for the Transportation Program, a pilot program which enables agencies to plan outings allocated through Proposition E Open Space Funds.

Listed below are the 1990 Transportation Guidelines and Requirements:

- Funds may be used towards charter buses for transportation.
- Funds are available for pre-school, school age, teens and senior citizen non-profit organizations.
- The 1990 Transportation Pilot Program will award funds from \$300.00 to \$1,000.00 per agency. This is based on the number of designated eligibles served by the agency.
- The applying agency must be located in the Chinatown/North Beach, Tenderloin or South of Market communities.

If interested in applying for this funding, please complete and return the enclosed application form to the address listed below.

Please provide all the necessary information, for we will not be able to process incomplete or late applications. If there are any questions do not hesitate to call Nan Neal. Funds are available for fiscal year 1990-91 and will be awarded as they are received.

Looking forward to hearing and working with you.

Sincerely,

Nan Neal
Assistant Superintendent of Recreation

ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Geraldine Earp; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Nancy Larson; Juanita Raven; Rich Sorro; and Midge Wilson

Members Absent: Robert Cramer; Bonnie Fisher; Hilary Lamar; Lonnie Lawson; Louis Loewenstein; Willa Sims; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Tim Lillyquist, Assistant to the General Manager; Ron de Leon, Assistant Superintendent of Parks-Neighborhood Parks and Squares; and Joanne Wilson, Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

APPROVAL OF MINUTES

The minutes of the September 12, 1990 meeting were approved as submitted.

COMMITTEE SCHEDULE

The Committee decided to reschedule its tour from October 13 to October 27, and to cancel the Committee meeting scheduled for Tuesday, October 16.

PUBLIC HEARING

The following requests from the public for Open Space funding were received:

- a) **Parcel 4** -- Request is for \$1.5 million. Coastal Conservancy has agreed to pay \$250,000 for the option to purchase this parcel. The Golden Gate National Recreation Area would agree to manage and develop this land at no cost to the City.

Fifteen members of the public spoke in favor of this acquisition with Open Space funds.

- b) **Hunters Point** -- Three lots with a total of 6,000 square feet on Innes and Hawes Street. This triangle is across from the India Basin Park on Hunters Point Boulevard. (Planning File 4646).

Request is to purchase this three-lot triangle on Hunters Point Boulevard. The owner plans to develop this land with a three story, 18 unit building. Ten members of the public supported this acquisition.

- c) **O'Shaughnessy Hollow** -- Request is to acquire 2.4 acres across from Glen Canyon on O'Shaughnessy Boulevard. The owner wants to develop 16 houses on this property. Three members of the public spoke on behalf of this acquisition.
- d) **Eureka Valley** -- Request to renovate and fence the children's playground at the Eureka Valley Recreation Center. Focus of the project would be an ornamental fence which would also enhance the entrance to the recreation center. Two members of the public spoke on behalf of this project.
- e) **Natural Areas Acquisition** -- Five priorities were named: Rock Outcropping, Hawk Hill, O'Shaughnessy Hollow, Bayview Hill around the KYA tower, and a natural areas management plan.
- f) **Rock Outcropping** -- Two members of the public spoke on behalf of making this acquisition.
- g) **Tenderloin Recreation Center** -- Request is for funds to develop the recently acquired site as a Tenderloin playground.

ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Geraldine Earp; Bonnie Fisher; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Hilary Lamar; Nancy Larson; Lonnie Lawson; Nan McGuire; Juanita Raven; Willa Sims; Rich Sorro; Lynne Williams; and Midge Wilson

Members Absent: Robert Cramer; and Louis Loewenstein

Staff Present: Mary E. Burns, General Manager; Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Planner; and Tim Lillyquist, Assistant to the General Manager, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

The Park and Open Space Advisory Committee canceled its October 13 tour and rescheduled it for Saturday, November 3, 1990.

PUBLIC HEARING

- a) **Acquisition of a South of Market playing field** (large enough for baseball and soccer). Five members of the public spoke in favor of this proposal as well as representatives from the following agencies:

South of Market Problem-Solving Counsel
Bessie Carmichael School
St. Patrick's Day Care Center
The Salvation Army
Silvercrest Senior Housing
Natomia Neighborhood Association
- b) **Folsom Playground** -- This request is for a restroom at Folsom Playground.
- c) **Michelangelo Park Restroom** -- Representatives from the Russian Hill Neighbors, Telegraph Hill Dwellers and the Telegraph Hill Cooperative Nursery School spoke in support of this proposal, plus a petition of support was presented at the meeting.
- d) **Acquisition of Hawk Hill**
- e) **Tenderloin Playground Development** -- Four individuals spoke in support of this request.

- f) **Transportation for inner city children** -- Representatives of the Committee for Better Parks and Recreation in Chinatown and the Chinatown Youth Center spoke in support of this proposal.
- g) **Use land south of the Federal Building (on Golden Gate Avenue) for recreation.**
- h) **Chinatown** -- Proposals for the following areas in Chinatown were presented:
 - 1) Chinese Recreation Center Request for repair of cracks in basketball court (outside), sand in playground, fencing around playground and stairway, and miscellaneous painting.
 - 2) Chinese Playground Request for lighting and restroom and playground renovation.
 - 3) Helen Wills Request for repair of hole in wall between boys and girls restrooms.
- i) **Japantown Peace Plaza** -- Friends of Japantown Peace Plaza presented a proposal requesting \$250,000 towards a \$1 million Japanese garden development project in the Japantown Peace Plaza.
- j) **Natural Areas Acquisition** - Request for funds:
 - 1) To acquire the remaining natural areas and protection of existing natural areas.
 - 2) For development of an inventory of natural areas under the jurisdiction of other City departments and for transfer of those properties to the Recreation and Park Department.

The following natural areas were recommended for acquisition:

Bonview Lots
Hawk Hill
West slope of Twin Peaks
Rock Outcropping
Parcel 4
Bayview Hill
O'Shaughnessy Hollow

Funds were also requested to restore the above listed natural areas and to eradicate invasive species at these sites.

- k) **Mini Park Acquisition** -- Request is for acquisition of a site at Putnam and Tompkins Streets, behind the Farmer's Market which would be kept as open space. There was no request for structures. Two neighborhood block clubs voiced their support for this proposal.

1) **Requests for renovations to pools** were received as follows:

Coffman Pool -- funds for fencing, security lighting and a new entrance.

Garfield Pool -- funds for security lighting.

King Pool -- funds for a new roof, air circulation, renovation of locker rooms and entry, security lighting, and a new entrance.

- m) **Jack Early Park** -- Request to enforce the provision of the conditional use permit for the end of Pfeiffer Street. (Jack Early Park is at the end of Pfeiffer Street).
- n) **Upper Noe Playground** -- Request for funding of bleachers for the baseball diamond and repair of lobby doors.
- o) **Mission Playground Children's Play Area** -- Request funding of a fence for the play area. A petition of 178 neighbors was presented in support this request.
- p) **India Basin Triangle** -- Request for acquisition of triangle bounded by Innes and Hawes Streets and Hunters Point Boulevard in India Basin as open space.
- q) **23rd and Eucalyptus Streets (Rolph Nichol Mini Park)** -- Request from the Merced Manor Property Owners Association for funding to repair the slide, enlarge the sand play area and install new swings. The Property Owners Association has offered to contribute financial and volunteer labor to this project.
- r) **Randall Museum** -- Request for continued funding for its transportation program.
- s) **Joseph Lee Recreation Center** -- Request for funds to extend fencing from Bayview Opera House to the Joseph Lee Recreation Center on the Newcomb Street side of the center.
- t) **Richmond Recreation Center** -- A request for continued funding for the center and for neighborhood involvement in the planning for this facility by the Planning Association for the Richmond.

The meeting was adjourned at 9:30 p.m. The next meeting of the Park and Open Space Advisory Committee is scheduled for Wednesday, October 24, 1990, at 7:00 p.m.

1. ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Hilary Lamar; Nancy Larson; Louis Loewenstein; Juanita Raven; Willa Sims; Lynne Williams; and Midge Wilson

Members Absent: Robert Cramer; Geraldine Earp; Bonnie Fisher; Lonnie Lawson; Nan McGuire; and Rich Sorro

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Tim Lillyquist, Assistant to the General Manager; Elaine Molinari, Director of Neighborhood Services; and Nan Neal, Assistant Superintendent of Recreation/Community Services Division, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

The minutes of October 24, 1990 were approved as submitted.

3. STAFF REPORTS

Review of High Need Areas

Steve Shotland, Department of City Planning, gave an overview of the meaning of "high need" areas in the context of the Open Space Element of the Master Plan. His review identified "high need" areas as being mostly on the east side of the city. Factors affecting "high need" include density of population, proximity to open space, income and high populations of children and seniors. Specific neighborhoods included under this category are Chinatown, Tenderloin, South of Market, the Mission, the Western Addition and Bayview-Hunters Point.

Review of Maintenance and Renovation Categories

Staff reported that a meeting has been scheduled with the City Attorney to determine whether certain types of projects which have previously been funded under the renovation category should be shifted to the maintenance category as defined under Proposition E. Staff will report on the results of this meeting.

Review of City Planning Commission Meeting on Parcel 4 (Oct. 25)

A general discussion of Parcel 4 was held. No action was taken.

4. CONSIDERATION OF REVISIONS TO 5 YEAR OPEN SPACE PLAN

Staff reviewed proposed amendments to the five year plan of the Open Space Program. The Committee approved Recommendation #2, the second and third parts of Recommendation #3, and Recommendations #4 and #6. The Committee requested that the other recommendations be considered at the next Open Space Committee meeting.

5. CONSIDERATION OF 1991-92 OPEN SPACE PRIORITIES

The Committee decided to defer consideration of priorities until its next meeting on November 8.

6. REVIEW OF PROPOSED ITINERARY FOR NOVEMBER 3 OPEN SPACE COMMITTEE TOUR

The Committee reviewed staff proposals for the tour and requested that the tour be extended by one hour and that sites be added as follows: Natural Areas and Richmond Center.

7. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

Arvid Ekenberg spoke requesting that more attention be given to maintenance of the south side of Golden Gate Park at the east end of the park.

Tom DeLeon spoke requesting lighting of the tennis courts and fields at Balboa Park.

David Davison spoke on behalf of funding for improvements to the Kezar Triangle of Golden Gate Park and Whiskey Hill, including tree planting, irrigation repairs and general maintenance.

A general discussion was held as to where to put public comment on the agenda. The Committee voted to place this item as the first order of business (for those items not specifically on the agenda) as well as the last item.

8. ADJOURNMENT

The meeting was adjourned at 9:00 p.m. The next meeting of the Park and Open Space Advisory Committee will be on Thursday, November 8, 1990, at 7:00 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1. ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Geraldine Earp; Bonnie Fisher; Jeffrey Henne; Patricia Kennedy; Hilary Lamar; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Nan McGuire; Juanita Raven; Willa Sims; Rich Sorro; Lynn Williams; Midge Wilson

Members Absent: Robert Cramer; Jill Hallinan

Staff Present: Phil Arnold, Assistant General Manager/Administration; Deborah Learner, Park Planner; Joanne Wilson, Park Planner; Tom Chiosso, Coordinator of Special Projects

2. APPROVAL OF MINUTES

The minutes of November 1, 1990 were approved as submitted.

3. 5-YEAR OPEN SPACE PLAN

a) The Committee voted to defer funding for 1991-92 for North Beach Pool, India Basin and Reservoir Development in favor of priority acquisitions.

Aye: All, but

No: Dutra, Raven, Loewenstein

Abstain: McGuire

b) Committee voted to increase the estimated cost to complete the Natural Area Acquisition category to \$10 million.

Aye: All, but

No: Altshuler, Fisher, Sorro, Henne, Hodapp

c) Committee voted to increase the estimate of new operation and maintenance costs to reflect the addition of the Washington-Hyde Mini Park.

4. Staff provided the Committee with maps showing Hawk Hill and Bayview Hill and proposed acquisition sites.

5. OPEN SPACE PRIORITIES

The Committee requested staff to ask the Real Estate Department to develop a preliminary appraisal on Parcel 4.

The following priorities were given to the requested acquisition and development projects:

	<u>PRIORITY</u>			
	<u>#1</u>	<u>#2</u>	<u>#3</u>	<u>Delete</u>
Tenderloin	X			
South of Market	X			
Jack Early Park (Defer)				
Natural Areas Acquisition	X			
Natural Areas Inventory		X		
Parcel 4	X			
Federal Office Bldg. (Defer)				
Putnam & Tompkins Mini Park			X	
India Basin Triangle			X	
Richmond Recreation Center	X			
Natoma Field				X
Duncan & Castro Lots Addition			X	

4. PUBLIC COMMENT

Three members of the public spoke on behalf of acquisition of Parcel 4.

5. ADJOURNMENT

The meeting was adjourned at 9:00 p.m. The next meeting of the Park and Open Space Advisory Committee will be on Wednesday, November 14, 1990, at 7:00 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

Members Absent: Ina Dearman; Geraldine Earp; Patricia Kennedy; Hilary Lamar; Lynne Williams; and Midge Wilson

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Guido Ciardi, Urban Forester; Jim Cooney, Asst. Superintendent of Parks/Golf-Urban Forestry; Deborah Learner, Park Planner; and Joanne Wilson, Park Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

DOCUMENTS DEPT.

The minutes of November 14, 1990 were approved as submitted.

3. PUBLIC COMMENT

JAN 1 1991
SAN FRANCISCO
PUBLIC LIBRARY

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

The Committee received testimony as follows:

- ° John Dillon urged support for the Randall Museum: \$40,000 to support an exhibit project tied to the mission of the Museum. (John Dillon)
- ° Jennifer Barclay urged support for a restroom at Michelangelo Park (\$50,000)
- ° Lurilla Harris urged support for acquisition and development of a mini park near the Farmer's Market on the south side of Bernal Hill.
- ° Cheryl Arnold, Coalition to Save Ocean Beach, urged support for acquisition of Parcel 4 (\$1.5 million).

Greg Gaar, representing Joint Open Space Committee, urged support for acquisition of Parcel 4, but not as part of natural areas category. Natural areas acquisition was also urged. (Greg Gaar)

- ° A status report was provided by Cynthia Hall of the San Francisco League of Urban Gardeners (SLUG) on their community garden activities over the past year. Ms. Hall urged continued support from the Open Space Program.

- ° Jack Early, Telegraph Hill Dwellers, requested that the Recreation and Park Department assume responsibility for development and maintenance of Jack Early Park at the north side of Telegraph Hill.

Steve Shotland, Department of City Planning, reported that the subject property is still under the jurisdiction of the Department of Public Works. He has been assigned to follow up on this case.

- ° Dino DiDonato, South of Market Problem-Solving Council, and Jeff Roth, Natoma Neighborhood Association, requested support for acquisition of a South of Market park site. Also requested that the Committee defer consideration of the site at Minna Street until it can be considered by the Community and to designate staff to work on this project.
- ° M. Corder requested funding to fence the children's playground at Mission Playground.
- ° Evelyn Martin, Duncan Newburg Neighborhood Association, requested acquisition of the unimproved section of Castro Street at Duncan Street for open space.

Staff was requested to report back to the Committee on acquisition of this site.

4. STAFF REPORTS

Jim Cooney, Assistant Supt., Golf/Urban Forestry, made a presentation on the urban forestry program. He stated that budgets have been reduced over the past three years. Current Open Space support for urban forestry is approximately \$173,000. Request is for \$837,000.

Deborah Learner, Park Planner, made a presentation on significant natural areas. She reported that four properties (O'Shaughnessy Hollow, Hawk Hill, Bayview Hill and Parcel 4) were evaluated against criteria established for this review. According to these criteria, the priority for acquisition was established as follows:

- 1) O'Shaughnessy Hollow
- 2) Hawk Hill
- 3) Bayview Hill
- 4) Parcel 4

Phil Arnold, Assistant General Manager/Administration, made a presentation on revised revenues for the Open Space Program. He stated that current estimates indicate that annual revenues of \$15 million and a one-time revenue of \$4.5 million are available for the 1991-92 fiscal year.

5. CONSIDERATION OF FURTHER AMENDMENTS TO 5 YEAR OPEN SPACE PLAN

It was moved, seconded and approved that the 5 Year Open Space Plan be amended to reflect \$15 million in annual revenues and to allocate the \$4.5 million in one-time revenues to acquisition and development projects.

MINUTES

JAN 24 1991

SAN FRANCISCO
PUBLIC LIBRARY

Thursday, December 13, 1990 - 7:00 P.M.
McLaren Lodge, Golden Gate Park - Commission Room

1. ROLL CALL

Members Present: Dan Hodapp, Co-Chair; Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Bonnie Fisher; Jill Hallinan; Jeffrey Henne; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Nan McGuire; Juanita Raven; Jacob Sigg; Willa Sims; Rich Sorro; Lynne Williams; and Midge Wilson

Members Absent: Geraldine Earp; Patricia Kennedy; and Hilary Lamar

Staff Present: Tom Chiosso, Coordinator of Special Projects; Deborah Learner, Park Planner; Tim Lillyquist, Assistant to the General Manager; and Joanne Wilson, Planner, from the Recreation and Park Department

2. APPROVAL OF MINUTES

The minutes of December 6 had not been prepared and approval was deferred until the meeting of January 9, 1991.

3. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

No public comment was received.

4. STAFF REPORTS

Update on SOM Research for Neighborhood Site -- staff has consulted w/ BBI re list of red tagged buildings damaged in Loma Prieta earthquake and 4 potential sites have been found. Staff will continue research and provide update at next meeting.

Terry Ow-Wing requested that staff report on trip program. Terry would also like a report from Elaine Molinari regarding the status of a bi-lingual translation program.

Staff Report by Peter LaBrie Regarding the South Bayshore Plan -- Boundaries of study area are Islais Channel, San Mateo County line, James Lick Freeway and the SF Bay shoreline. Plan proposed for adoption next year (environmental review has yet to be completed).

5. PRESENTATION ON BAYVIEW HILL -- CITY PLANNING DEPARTMENT

Bayview Hill: Policy in plan protects open space through private funds. Housing opportunity site, balanced with open space needs.

General information: South Bayshore least dense area in City. Primarily single family development. Many areas contain vacant lots and undeveloped land. Major rights-of-way controlled by Caltrans and Southern Pacific Railroad.

Open space areas under plan would include a 155 acre state park (with ecological theme), 26 acres on Bayview Hill and 22 acres of park land within Executive Park.

Population at one time was 55,000, then dropped to 25,000 (many housing projects were demolished.) Third Street corridor suffered and social problems developed.

Impacts to open space -- illegal dumping, etc. Open space is ill-defined due to lack of development. Healthy human population is essential for a healthy, natural community.

Bayview Hill: Master Plan review would be required at subdivision stage. The Recreation and Park Department would be notified of development proposal. Private development process will provide public open space (possibly as a condition of approval attached to City Planning Commission approval of a development).

Hunter's Point Naval Shipyard: Long range plans are uncertain, but probably would include mixed use development with open space along shoreline.

6. CONSIDERATION OF 1991-92 OPEN SPACE PRIORITIES

The Committee made the following recommendations:

- 1) Folsom Playground - install portable restrooms (Priority 1)
- 2) Upper Noe - installation of bleachers (Priority 3)
- 3) Mission Playground - fencing item moved to Fencing Fund category
- 4) Joseph Lee Center - move fencing to Fencing Fund do not remove lighting
- 5) Eureka Valley - ornamental fence given priority 3, if chain link is acceptable move to Fencing Fund
- 6) Michaelangelo Park - install portable restrooms (Priority 1)
- 7) Balboa Park - move to Court Resurfacing Fund
- 8) Bernal Hill Closure - have maintenance improved by department
- 9) Buena Vista - irrigation improvements given priority 2

- 10) Golden Gate Park - six new gardeners given priority 3
- 11) Moscone Playground - repair of golf cages given priority 3
- 12) Potrero Hill Center - city asked to inspect gym floor before considering replacement
- 13) Rochambeau - included in Remodeling Fund
- 14) Tank Hill - move to Hilltop Development Fund
- 15) Transportation for Inner City Children - program to include Chinatown, Tenderloin and South of Market (priority 1)

7. CONSIDERATION OF FUTURE MEETING DATES

The Committee scheduled future meetings dates of January 29 and February 7, 1991 at 7:00 p.m.

8. PUBLIC COMMENT

No public comment was received.

9. ADJOURNMENT

The meeting adjourned at 9:00 p.m. The next scheduled meeting will be on Wednesday, January 9, 1991.

Members Present: Terry Ow-Wing, Co-Chair; Lynn Altshuler; Ina Dearman; Robert Dutra; Bonnie Fisher; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Nancy Larson; Lonnie Lawson; Nan McGuire; Juanita Raven; Jacob Sigg; Willa Sims; and Lynne Williams

Members Absent: Dan Hodapp, Co-Chair; Geraldine Earp; Hilary Lamar; Louis Loewenstein; Rich Sorro; and Midge Wilson

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tom Chiosso, Coordinator of Special Projects; Guido Ciardi, Urban Forester; Amy Dawson, Director of the Randall Museum; Tim Lillyquist, Assistant to the General Manager; and Joanne Wilson, Park Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

The minutes of December 6 and 13, 1990 were amended to correctly spell Terry Ow-Wing. The Minutes of December 13, 1990 were amended to reflect additional meetings on January 29 and February 7, 1991.

The minutes of December 6 and 13, 1990 were approved as amended.

3. PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to three minutes for individuals or up to 5 minutes for groups. The Co-Chairs or the Committee may limit the total testimony to 30 minutes.

The Committee received testimony as follows:

- ° **Michelangelo Restroom** -- Bid submitted from a contractor for rehab of existing restroom. Estimate: \$10,000-\$23,000.
- ° **Parcel 4** -- Two speakers advocated the allocation of funds for the acquisition of Parcel 4.
- ° **"Jack Early Park"** -- Recreation and Park was urged to take over administration of "Jack Early Park" and the Francisco Street stub. As an alternative, a plan to develop the park was requested.
- ° **Natoma Street** -- Request to develop a park near 7th and Howard Streets where new housing is planned.

4. STAFF REPORTS

Parcel 4

A staff report was given showing that over the next three years projected revenues for acquisition and development projects will total approximately \$16.5 million. Requests for priority projects total at least \$38 million. The request for Parcel 4 is for \$1.5 million. The entire amount would be needed in the first year because of the plans to develop this land are before the Planning Commission.

It was moved and seconded that \$1.5 million be allocated toward the acquisition of Parcel 4 if that property becomes available for sale.

Ayes: Lynn Altshuler; Ina Dearman; Robert Dutra; Bonnie Fisher; Jill Hallinan; Jeffrey Henne; Patricia Kennedy; Nancy Larson; Lonnie Lawson; Nan McGuire; Juanita Raven; Jacob Sigg; Willa Sims; and Lynne Williams

Noes: Terry Ow-Wing

South of Market Park

Nine sites were reviewed. Information provided included size, location, assessed value, current use, potential park use, surrounding land uses, zoning and site history. A suggestion was made that possibly Bessie Carmichael School could be relocated.

Duncan-Castro Street Right-of-Way

Staff recommendation is not to acquire since development is not threatened.

Neighborhood Transportation

All agencies that applied for funds have been notified of the funds that will be made available to them. Amy Dawson, Director of Randall Museum, surveyed five bus companies and found that there is a special rate through the School District which will double the available trips for the same funds.

Translation

Staff reported that \$15,650 will be included in the administrative budget of the Open Space Program for translation services.

5. CONSIDERATION OF 1991-92 OPEN SPACE PRIORITIES

The Committee approved the following priorities:

Priority 1

ACQUISITION AND DEVELOPMENT

Community Gardens (\$50,000) - continued support of community gardens through allocation to SLUG and support of gardens at Brewster Street and St. Mary's Square.

RENOVATION

Kinder-Gym for Inner City Youth - In addition to above, request was made for the funding of a kinder-gym in the Chinatown area.

Glen Canyon Master Plan Implementation (\$100,000)

Priority 2

Kezar Pavilion (\$425,000) - to include new floor (\$200,000), repainting, bathroom rehab. (\$150,000), parking lot paving, concession area (\$75,000).

Priority 3

Golden Gate Park Chain of Lakes Disabled Access (\$100,000) - development of wheelchair accessible pathway around Middle Lake and access upgrade of nearby restroom.

Regional Trails (\$75,000) - implement Twin Peaks design.

6. ADJOURNMENT

The meeting was adjourned at 9:00 p.m. The next Park and Open Space Advisory Committee meeting will be held on Tuesday, January 15, 1991, at 7:00 p.m.

PARK AND OPEN SPACE CITIZENS ADVISORY COMMITTEE

February 7, 1991

The Minutes of this meeting are missing.

PARK AND OPEN SPACE CITIZENS ADVISORY COMMITTEE

February 19, 1991

The Agenda of this meeting is missing.

4. STAFF REPORTS

South of Market Park

The Real Estate Department is reviewing sites in the South of Market which might be suitable for a park. Criteria include central location, size (at least 100,000 square feet) and possibility of a willing seller.

5. OPEN SPACE NOMINATION PROCEDURES

Staff explained that at least half of the future nominees to the Open Space Committee need to be nominated by environmental organizations approved by the Board of Supervisors. Each Supervisor ultimately needs to appoint at least one Open Space Committee member from the nominees of environmental organizations. Reappointments begin this summer.

6. CONSIDERATION OF FUNDING ALLOCATIONS TO OPEN SPACE PRIORITIES

Acquisition and Development

There was a general discussion of Bayview Hill and the arguments for and against additional open space acquisitions on this site.

Staff recommendations for acquisition and development dated February 13, 1991 were approved by the Committee (see attached).

Ayes: Ina Dearman; Robert Dutra; Bonnie Fisher; Jill Hallinan; Dan Hodapp; Patricia Kennedy; Hilary Lamar; Nancy Larson; Lonnie Lawson; Nan McGuire; Terry Ow-Wing; Jacob Sigg; Willa Sims; Rich Sorro; Lynne Williams; Midge Wilson

Noes: Juanita Raven

Abstained: Greg Gaar

Renovation

General discussion of funding reductions proposed for various projects. Committee's top priorities had a greater cost than the funds available. Therefore the proposed allocations for several projects were reduced. Staff recommendations for renovation dated February 13, 1991 were approved (see attached).

Planning and Administration Budget

The planning and administration budget dated February 19, 1991 was approved as proposed by staff (see attached). (Lynne Williams abstained from voting.)

NEW BUSINESS

Election of Co-Chair

Lynn Altshuler and Robert Dutra were nominated for co-chair of the Committee. Robert Dutra was elected for a two-year term beginning at the next meeting of the Committee.

Year-End Event

The Committee scheduled its annual year-end dinner for Thursday, April 18, 1991, 6:30 p.m. at San Remo's Restaurant.

7. ADJOURNMENT

The meeting was adjourned at 9:00 p.m. The meeting scheduled for Wednesday, March 6, 1991, at 7:00 p.m. was cancelled.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

[The text in this section is extremely faint and illegible. It appears to be a multi-paragraph document, possibly a letter or a report, with several lines of text visible across the page.]

February 13, 1991

To: Open Space Advisory Committee
From: Phil Arnold
Subject: Proposed Allocations for 1991-92

Staff have reviewed the completed priorities of the Open Space Committee as finalized at the meeting on February 7, 1991. Staff has also estimated costs of those priorities and compared those costs to the available funds for the Open Space Program. Based on these factors, staff makes the following recommendations for funding allocations (Note: these allocations have been revised from the January 31, 1991 memo to reflect the Committee's actions on February 7, 1991):

ACQUISITION AND DEVELOPMENT (Funding available: \$8.9 million)

Tenderloin Playground	\$ 750,000
South of Market Park	2,100,000
Natural Areas Banking	2,100,000
Parcel 4 Acquisition	1,500,000
Richmond Recreation Center	1,000,000
Washington-Hyde Park	300,000
Urban Forestry	250,000*
Chinatown Park	500,000
Transportation Program	100,000
Extended Hours, Mission Pool	50,000
City Attorney	120,000**
Real Estate	108,000**
TOTAL	\$8,878,000

* Revised to reflect actual projected costs of existing positions.

** Based on current expenditures plus 5% for inflation.

These allocations would provide sufficient funds for the Tenderloin Playground and Recreation Center (2-story option) and for the Washington-Hyde Park. Funding for the Chinatown Park would need to be continued at \$500,000 for the next two years (following 1991-92) in order to have sufficient funds for the new park. An additional \$2.5 million would need to be provided for the Richmond Recreation Center before that project would be completed. The South of Market Park and Natural Areas Banking categories would need continuing allocations until those projects are completed. The India Basin Park and North Beach Pool and Recreation Center would need to be accomplished in phases as funds are made available in future years.

RENOVATION (Funds Available: \$2,100,000)

King Pool Entryway	\$ 150,000
Upper Noe Bleachers	50,000
Rolph Nicol Park	30,000*
Kinder-gym	25,000
Community Gardens	50,000
Cow Hollow	100,000
Glen Canyon Masterplan	80,000*
Mini Park Rehabilitation	150,000
Mission Pool Entrance	200,000
Balboa Park Restrooms	350,000
Balboa Park Lighting	**
Randall Museum Lobby Exhibits	40,000
Security Lighting	75,000
Remodeling Crew	300,000*
Fencing	95,000
Portable Restrooms	50,000
Hazardous Materials Abatement	100,000
Hilltop Development	20,000*
Lang Field Lighting	50,000
Chinese Playground and Folsom Playground - design	50,000
Federal Office Bldg. Playground	60,000*
Field Lighting	75,000*
TOTAL	\$2,100,000

*Adjustment from January 31 recommendations based on February 7, 1991
Committee action.

**Reallocation from existing project. No new funding required.

February 19, 1991

To: Open Space Committee

From: Phil Arnold

Subject: Proposed 1991-92 Open Space Budget: Planning and Administration

\$220,000 Permanent Salaries (Director of Neighborhood Services, Planner III, Volunteer Coordinator, Senior Accountant, Secretary)

63,000 Fringe Benefits

10,000 Temporary Salaries

24,000 Environmental Consultant

200,000 Completion of Golden Gate Park Master Plan

100,000 Significant Natural Areas Management Plan

25,000 Fundraising/ Outreach consultant - corporate sector

15,000 Misc. Services (translations, brochures, graphics, printing)

1,000 Auto Mileage

5,600 Materials and Supplies

5,000 Equipment (computer/printer for Neighborhood Services Office)

22,500 Permits and work orders to other departments

The Park and Open Space Advisory Committee will hold an organization and planning session at 7:00 p.m. on Tuesday, September 10, 1991 at McLaren Lodge (Fell and Stanyan Streets) in Golden Gate Park. The following items will be discussed:

1. Schedule of meetings.
2. Recent Planning Commission actions affecting the Open Space Program.
3. Staff reports on progress of various property acquisitions.
4. Staff reports on status of other Open Space projects.
5. Public Comment.

Members of the Park and Open Space Advisory Committee are requested to bring their calendars to this meeting so that any scheduling conflicts can be resolved. Committee members who cannot attend this meeting should notify Virginia Richardson (666-7080) ASAP during business hours.

ROLL CALL

Members Present: Robert Dutra, Co-Chair; Dan Hodapp, Co-Chair; Lynn Altshuler; Mauricio Aviles; Francis Baron; Ina Dearman; Geraldine Earp; Greg Gaar; Jill Hallinan; Jeffrey Henne; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Nan McGuire; Terry Ow-Wing; Juanita Raven; Jacob Sigg; Willa Sims; and Midge Wilson

Members Absent: Patricia Kennedy; Hilary Lamar; Rich Sorro; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager/Administration; Tim Lillyquist, Assistant to the General Manager; Elaine Molinari, Director of Neighborhood Services; and Steve Shotland from the Department of City Planning

APPROVAL OF MINUTES

The Minutes of February 19, 1991 were deferred to next the meeting for review and approval.

1. SCHEDULE OF MEETINGS

Schedule of meetings was adopted as follows:

Tuesday, September 24, 1991, Public Hearing
Wednesday, October 2, 1991, Public Hearing
Saturday, October 12, 1991, Tour (9:00 a.m. to 3:00 p.m.)
Wednesday, October 16, 1991
Thursday, October 24, 1991
Tuesday, October 29, 1991
Wednesday, November 6, 1991
Thursday, November 14, 1991
Tuesday, November 19, 1991
Wednesday, December 4, 1991
Tuesday, December 10, 1991
Thursday, January 9, 1992
Wednesday, January 15, 1992

Meetings are scheduled from 7:00 p.m. to 9:00 p.m. at McLaren Lodge.

2. RECENT PLANNING COMMISSION ACTIONS AFFECTING THE OPEN SPACE PROGRAM

Steve Shotland, Department of City Planning, reviewed the recently-approved amendments to the Open Space Element of the Master Plan. A new policy has been added covering natural areas and clarifying the need to have all proposed open space acquisitions referred to the Planning Commission for review and approval.

3. STAFF REPORTS ON PROGRESS OF VARIOUS PROPERTY ACQUISITIONS

Status reports were provided on the following open space projects.

Rock Outcropping -- Court settlement in City's favor. Legislation on acquisition of Lot 6 is being prepared by the City Attorney and the Real Estate Department.

South of Market Park -- A site has been identified at Seventh and Harrison Streets. The Real Estate Department is contacting owners. Recreation and Park Department staff is preparing the environmental evaluation and master plan for submission to City Planning.

Bayview Hill -- The owner and the Real Estate Department are discussing a partial sale of property.

Parcel 4 -- City Planning has approved a 61 unit development. Interest in acquisition for open space continues, but no additional funds have been identified.

2460 Harrison Street -- Preliminary agreement has been reached on acquisition of this lot adjacent to Mission Recreation Center. Acquisition funds have already been approved. Development funds would be needed from the Open Space Program.

India Basin -- Acquisition complete. Development funds needed. Volunteer cleanup scheduled for September 21.

4. STAFF REPORTS ON STATUS OF OTHER OPEN SPACE PROJECTS

Folsom Playground -- Several neighborhood meetings have been held to discuss redesign of the playground. Consensus has not yet been reached.

Brooks Park -- Neighborhood group working with San Francisco League of Urban Gardeners on new design for entryway and improvements to interior of the park.

San Francisco League of Urban Gardeners (SLUG) -- Contract with SLUG has been expanded to provide administrative and support services to all Recreation and Park Department community gardens as well as develop a new garden at Brooks Park. SLUG has also submitted/supported applications for improvements to Adam Rogers Park and Alioto Mini Park.

Kite Hill -- Considerable support has been generated for the acquisition of a lot on this open space site.

St. Mary's Park -- Agreement has been reached with the Parking and Traffic Commission which will allow for expansion of this park by approximately 25%. Cost of acquisition, \$205,000, will be requested as part of the Open Space Program.

Tenderloin Playground/Recreation Center -- Project is on schedule. Demolition proceeding.

Washington/Hyde Mini Park -- Project delayed approximately one month. Construction scheduled to begin this fall.

Chinatown Park -- Planning meetings have been held. Good progress reported. Community and designers working well together.

New Application Form

A new application form has been developed for the Open Space Program (see attached). Form will be mailed out to individuals on the Open Space mailing list.

Questions/Announcements

- 1) A question was raised as to whether the Shadow Ordinance (Proposition K) applies to open space property which is not under the jurisdiction of the Recreation and Park Department. There is an informal City Attorney opinion which holds that the Shadow Ordinance only applies to Recreation and Park Department property.
- 2) Greg Gaar and Jake Sigg will present a slide show on the natural history of San Francisco at the County Fair Building, Golden Gate Park, on September 23, 7:30 p.m.
- 3) Juanita Raven requested that a letter from Supervisor Gonzalez (attached) regarding O'Shaughnessy Hollow be distributed to Committee members.
- 4) The Committee requested an update on the status of the Tenderloin Recreation Center. Staff will prepare that presentation for the meeting scheduled for October 16, 1991.

5. PUBLIC COMMENT

Request to purchase a lot on Kite Hill.

The meeting was adjourned at 8:30 p.m. The next scheduled meeting will be on Tuesday, September 24, 1991, at 7:00 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1992-93 OPEN SPACE PROGRAM

Request For Community Suggestions

GENERAL INFORMATION

The San Francisco Park and Open Space Program was created by an amendment to the City and County's Charter (Section 6.413) resulting from the passage of Proposition E in November of 1988. It provides a 15 year extension to the Open Space and Park Renovation program established under Proposition J in 1974. Under the Program, a tax of two and one-half cents (\$0.025) of each \$100 assessed valuation is set aside for implementation. Revenues are used for the acquisition and development of new park and recreation facilities, the renovation of existing facilities, and the maintenance of these new or renovated facilities. In addition, funding is provided for an after school program, and other recreational programs as well as for Program administration.

The Program is administered by the Recreation and Park Department with the assistance and advice of the Park and Open Space Citizens Advisory Committee. In the fall of each year, the Committee holds public hearings to receive input from individuals, neighborhood organizations and other groups. This information, along with recommendations from Recreation and Park Department staff, is used to assist the Committee in establishing priorities for an annual expenditure proposal.

GOALS AND OBJECTIVES

The Charter Amendment requires that a five-year plan be developed for the Open Space Program and updated annually. The goals and objectives of this plan are used to establish priorities for expenditure of the fund. The five-year plan for 1991-92 includes the following provisions:

1. Conform with the Open Space Element of the City Master Plan.
2. Carry out the programs for implementing the Recreation and Open Space Element of the Master Plan.
3. Implement the requirements of Title 24 of the California Building Code and Section 503-504 of the Federal Rehabilitation Act (disability access standards).
4. Support on-going maintenance including resurfacing, lighting, roofing and reforestation.

5. Implement a program to acquire and manage natural areas.
6. Continue support for the After School Program.
7. Promote water conservation and the development of low maintenance, drought-tolerant natural plantings.
8. Reduce long-term maintenance costs of Open Space-funded projects.

ALLOCATION FORMULA

In 1992-93, Open Space revenues are estimated to total \$15 million. The allocation formula as mandated by Proposition E directs the following:

1. Not more than 40% of total fund be used for maintenance of properties acquired, developed or renovated during the years 1975 - 1990.
2. 12% of total fund is for the operation of the After School Program.
3. At least 25% of total fund is for acquisition and development.
4. At least 8% of total fund is for renovation.
5. Not more than 15% of total fund for administration, programs and maintenance of new open space properties and renovated open space facilities.

APPLICATION PROCESS

The attached form is to be used by any individual, group or organization with suggestions on the distribution of funds from the Open Space Program for 1992-93. Public hearings to consider funding suggestions will be held by the Open Space Advisory Committee from September through November 1991. Submit completed forms by mail or in person to Park and Open Space Advisory Committee, McLaren Lodge, Golden Gate Park, San Francisco, CA 94117. **Deadline for submitting forms to the Open Space Committee is Tuesday, October 1, 1991 at 5 p.m.**

OPEN SPACE PROGRAM
SUGGESTIONS FOR FUND DISTRIBUTION
1992 - 1993

Deadline for consideration is Tuesday, October 1, 1991, 5 p.m.

Dear Ms. Oppenheim:

I have received your letter on July 2, 1991, regarding the proposed housing development on O'Shaughnessy Avenue.

I appreciate being kept apprised of this matter, and will inform my representatives on the Open Space Advisory Committee about this issue.

I sincerely appreciate you taking the time to write to me concerning the viewpoint of the members of the Miraloma Park Improvement Club.

Members Absent: Francis Baron; Jill Hallinan; Patricia Kennedy; Hilary Lamar; Nancy Larson; Lonnie Lawson; Jacob Sigg; Rich Sorro; and Lynne Williams

Staff Present: Mary Burns, General Manager; Phil Arnold, Assistant General Manager-Administration; Deborah Learner, Park Planner; and Joanne Wilson, Park Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

2. APPROVAL OF MINUTES

Minutes of February 19 and September 10, 1991 were approved as submitted.

3. PUBLIC HEARING

Kite Hill -- Block 2701A, Lot 26. Ten speakers requested the acquisition of this block for open space. A petition of 315 names requesting this acquisition was also submitted. Property purchased in 1975 for \$17,500.

Task Force on Greening and Open Space -- Purpose of task force is to try to seek private funding for public open space. Contact: Elizabeth Martin, San Francisco Beautiful. The task force meets monthly and is offering assistance to the Open Space Committee.

Folsom Playground -- Four speakers representing Friends of Folsom Playground requested funds for a restroom, new design and location of play structure, better lighting, a storage facility for recreation equipment, a drinking fountain and benches for seniors. A complete proposal for renovation was submitted.

South of Market Park -- South of Market Problem Solving Council supported continued funding for a new South of Market Park. Continued funding was also requested for the transportation program.

Bonview Lots -- Two speakers requested purchase of four lots on the north slope of Bernal Hill on Bonview Street. There are four lots and two owners.

Broadway/Hyde (west end of tunnel), Helen Wills Playground -- Proposal is to develop air space above west end of tunnel for open space.

Transportation Program -- Request to continue funding for the transportation program. Program is a big success and very well received. Request to keep focus on areas of the city that are underserved in terms of recreation and open space.

Alvord Lake -- Cole Valley Improvement Association requested funds to renovate the Alvord Lake entrance to Golden Gate Park.

Hawk Hill -- A representative of the owner of Funston Terrace (Hawk Hill) requested clarification of impact of new amendments to Open Space Element of Master Plan regarding definition and acquisition of significant natural areas. Process for identifying natural areas is at issue.

The president of the Forest Hill Association requested the submission of Hawk Hill to City Planning for designation as a significant natural area. A petition of over 200 names was submitted supporting this acquisition.

India Basin Triangle -- Five speakers requested the purchase of this property located across Hunters Point Boulevard from India Basin Shoreline Park.

Natural Areas -- San Francisco Urban Wildlife representative spoke on behalf of acquisition of natural areas, including the addition of a site on the south side of Brotherhood Way behind the Greek Orthodox Church.

Public Notice

Several comments were made during the hearing about lack of public notice of the Open Space meetings. Public notice was provided as follows:

- 1) A press list of over 200 names received notice from the Recreation and Park Department Public Relations Office.
- 2) The schedule of Open Space meetings was published in the San Francisco Independent.
- 3) A public information list maintained by the Recreation and Park Commission secretary received notification. This list, which includes all members of the Board of Supervisors, consists of approximately 65 names.
- 4) An Open Space notification list, which is maintained in the General Manager's Office of the Recreation and Park Department, received the schedule of meetings. This list consists of over 700 names. The list is updated on a regular basis. The list included the Our Lady of Lourdes Catholic Church Committee, who had previously requested acquisition of the India Basin Triangle. However, the letter sent to their address was returned. Supervisor Ward's Office contacted the Recreation and Park Department General Manager's Office on behalf of the current pastor and was informed about the meeting schedule. The pastor was also sent a written schedule.

Minutes, Park and Open Space Advisory Committee
September 24, 1991
Page 3

PUBLIC COMMENT

A representative of the Native Plant Society asked whether the Open Space Program could acquire all of the City's existing open space.

A question was raised about the process: how are neighbors of property proposed for open space acquisition notified about proposals for acquisition.

Meeting adjourned at 8:30 p.m.

1. ROLL CALL

Members Present: Robert Dutra, Co-Chair; Dan Hodapp, Co-Chair; Lynn Altshuler; Mauricio Aviles; Francis Baron; Geraldine Earp; Greg Gaar; Jill Hallinan; Jeffrey Henne; Nancy Larson; Louis Loewenstein; Nan McGuire; Terry Ow-Wing; Juanita Raven; Jacob Sigg; Willa Sims; and Midge Wilson

Members Absent: Ina Dearman; Patricia Kennedy; Hilary Lamar; Lonnie Lawson; Rich Sorro; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager-Administration; Tim Lillyquist, Assistant to the General Manager; Elaine Molinari, Director of Neighborhood Services; and Joanne Wilson, Park Planner, of the Recreation and Park Department

2. APPROVAL OF MINUTES

Minutes of September 24, 1991 were approved as submitted.

3. PUBLIC HEARING

Randall Museum -- Request for continued funding for transportation program: \$20,000.

Randall Museum -- Request for environmental/learning garden: \$155,000.

Glen Canyon -- Request to acquire O'Shaughnessy Hollow as a significant natural area. Letters and petitions in support submitted: 2.5 acres.

Tenderloin Recreation Center -- Request for \$250,000 as a funding supplement for this project.

Civic Center Plaza -- Request for development of a children's playground and transfer of money in 1992-92 Open Space Program for Federal Building playground to this project.

Tenderloin -- Request for transportation funds for Tenderloin residents.

Suggestion was made to convert residential intersections to mini parks.

Bayview Hill -- Request to acquire the northeast slope of Bayview Hill.

Alioto Mini Park -- Renovation of park and playground. Replace play structure and provide some staffing in afternoons and on weekends.

Hawk Hill -- Request to acquire Hawk Hill as a significant natural area. Endorsed by the West of Twin Peaks Central Council and Forest Hill Neighbors Association.

India Basin Triangle -- Request to acquire the triangle and preserve it for open space.

South of Market -- Request for transportation funds to serve the South of Market and for funding for the South of Market Park.

Ridge Trail, Twin Peaks -- Various renovations and enhancements to the Ridge Trail segment on Twin Peaks, including a hiking/biking trail on the roadway around Twin Peaks.

Gym Equipment -- Request for staffing for gym equipment for tots provided in last year's program.

Translation Funds -- Request to continue translation funds.

Haight Ashbury Neighborhood Council spoke against the proposal to renovate the Haight Street entrance to Golden Gate Park.

Brooks Park -- Request to develop adjacent, unused schoolyard as a community garden/school garden.

Richmond Recreation Center -- Request for additional funding for the recreation center.

Excelsior -- Request for various improvements on Geneva Avenue.

Michelangelo Playground -- Request to construct permanent restroom. Licensed architect offered to sign drawings for this project to help expedite the construction.

Bonview Lots -- Request to acquire the four Bonview lots.

India Basin -- Request for development funds.

Jamestown Playground (Fair Oaks and 24th Streets) -- Request to renovate playground.

Parcel 4 -- Request for additional funding for Parcel 4.

4. PUBLIC COMMENT

No public comment was received.

5. ADJOURNMENT

1. ROLL CALL

Members Present: Robert Dutra, Co-Chair; Dan Hodapp, Co-Chair; Lynn Altshuler; Mauricio Aviles; Francis Baron; Ina Dearman; Geraldine Earp; Greg Gaar; Jeffrey Henne; Lonnie Lawson; Louis Loewenstein; Nan McGuire; Terry Ow-Wing; Juanita Raven; Jacob Sigg; Willa Sims; and Midge Wilson

Members Absent: Jill Hallinan; Patricia Kennedy; Hilary Lamar; Nancy Larson; Rich Sorro; and Lynne Williams

Staff Present: Phil Arnold, Assistant General Manager-Administration; Elaine Molinari, Director of Neighborhood Services; and Joanne Wilson, Park Planner, of the Recreation and Park Department

Staff was asked to send letters to Supervisors Achtenberg, Britt and Hsieh regarding Park and Open Space Advisory Committee vacancies.

2. APPROVAL OF MINUTES

Minutes of October 2, 1991 were approved as submitted.

3. STAFF REPORTS

No staff reports were presented.

4. REVIEW OF OPEN SPACE 5 YEAR PLAN

Postponed to meeting of October 24, 1991.

5. REVIEW OF OPEN SPACE PROPOSALS

Voting Procedures: The Committee voted not to record votes by individual members unless a roll call is requested.

Staff distributed an October 10 memo of staff recommended projects. Two corrections were made:

- 1) Delete Kezar Parking Lot paving.
- 2) Delete Embarcadero Plaza project.

Staff distributed a summary of the projects which had been submitted for consideration to the Open Space Committee. The Committee noted several changes as follows:

- 1) Add a park restrooms project
- 2) Add Richmond Recreation Center; Chinese Playground; St. Mary's Square Addition; and Mistral Park

DOCUMENTS DEPT.

OCT 29 1991

SAN FRANCISCO
PUBLIC LIBRARY

- 3) Add "Conservation Easement" to Brotherhood Way acquisition
- 4) Deleted Lake Merced, Gulley - Acquisition

6. PUBLIC COMMENT

The Committee discussed whether to limit public comment and whether to place it first on the agenda (or first and last). The Committee recommended limiting public comment to 30 minutes, split between the beginning and the end of each meeting. Testimony will be limited to 3 minutes per person or 5 minutes per group, subject to further reduction by the Co-Chairs.

A representative of **Mission Task Force** requested consideration for the following projects:

Acquisitions: 1240 Valencia Street (Mission Police Station)
2460 Harrison Street
23rd and Harrison Streets
3100 block of 19th Street

Renovations: Folsom Playground
Garfield Clubhouse
Franklin Square - conversion to baseball
New signage

FUTURE MEETING

A discussion was held about topics for future meetings. Staff was requested to coordinate with City Planning on criteria for significant natural resource areas. Staff was also requested to obtain City Attorney advice on appropriate procedures for the Open Space Committee now that Policy 13 has been adopted by the City Planning Commission.

7. ADJOURNMENT

The meeting was adjourned at 9:00 p.m. The next scheduled meeting will be on Thursday, October 24, 1991, 7:00 p.m.

Minutes prepared by

Phil W. Arnold

ROLL CALL

Members Present: Robert Dutra, Co-Chair; Dan Hodapp, Co-Chair; Lynn Altshuler; Mauricio Aviles; Francis Baron; Greg Gaar; Jill Hallinan; Jeffrey Henne; Barbara Judy; Nancy Larson; Lonnie Lawson; Nan McGuire; Juanita Raven; Jacob Sigg; and Midge Wilson

Members Absent: Ina Dearman; Geraldine Earp; Hilary Lamar; Louis Loewenstein; Terry Ow-Wing; Willa Sims; Rich Sorro; and Lynne Williams;

Staff Present: Phil Arnold, Asst. General Manager-Administration; and Joanne Wilson, Park Planner, of the Recreation and Park Department

APPROVAL OF MINUTES

Minutes of October 29, 1991 were amended to reflect that Greg Gaar attended the meeting. The minutes were approved as amended.

PUBLIC COMMENT

Folsom Playground -- Funds requested for renovation and for the development/expansion of a soccer program. Funds also requested for a restroom.

Pier 54 -- Funds also requested for renovation of the boat ramp.

Eureka Valley Playground -- Funds requested for renovation, including fencing, new gutter around the sand area and replacement sand.

Franklin Square -- Funds requested to convert Franklin Square from soccer only to multi-use, including little league baseball.

Alioto Mini Park -- Funds requested for renovation.

21st Street/South Van Ness Avenue -- Funds requested to acquire property for a playground and open space.

Alvord Lake Entrance to Golden Gate Park -- Funds requested to plant the lawn area at the Alvord Lake entrance to Golden Gate Park with shrubs which would discourage sitting and loitering at this park entrance.

STAFF REPORTS

° **Bernal Hill Gates**

Staff presented a proposed sketch for new gates on Bernal Heights Boulevard.

° **Bernal Gym Children's Center**

Discussion of this report postponed.

REVIEW OF OPEN SPACE PROPOSALS - RENOVATION PROJECTS

Attached is a list of recommendations by the Committee.

Fencing -- A request was made for information on fencing priorities and the fencing budget for current fiscal year.

Geneva Avenue Improvements -- Request to refer, by letter, a request for Geneva Avenue improvements to the Department of Public Works.

Franklin Square -- Request for information on use and maintenance of Franklin Square. Also a request was made for costs of conversion to a multi-use field, including little league baseball.

Alvord Lake -- A request was made for information from Park Division on the proposed alteration to Alvord Lake entrance to Golden Gate Park and that representatives from the San Francisco Police Department and District Attorney's Office be invited to participate in discussions.

ADJOURNMENT

The meeting was adjourned at 9:15 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1992-93 OPEN SPACE PROGRAM PROJECT LIST

November 6, 1991

Renovation/Maintenance

1. Alamo Square - Community request to upgrade play area, restrooms, lighting, walkways and develop landscape master plan. Cost estimate of \$103,000 provided by community. (Given Priority 1 on 10/29 with recommendation that community match funds of up to \$103,000).
2. Alioto Mini Park - Community and staff request to upgrade play area. Community requests staffing. Petition with 50 signatures included with application. Cost estimate of \$35,000 provided by community. (Given Priority 1 on 10/29).
3. Balboa Park Restrooms/Locker Rooms - Staff request to replace facilities lost in the reconstruction of Balboa Police Station. (Deferred 10/29).
4. Balboa Stadium Lighting - Install athletic field lighting at Balboa Soccer Stadium. (Deferred 10/29).
5. Bernal Gym - Supplement monies allocated for renovation of Bernal Gym to provide for children's adventure center. (\$50,000 additional funding given Priority 1 on 10/29).
- 5a. Bernal Gym - New Children's Adventure Center (Committee asked for more information on proposal for adventure center before increasing to \$150,000).
6. Hilltop Improvements - system-wide (Included in Natural Areas fund 10/29).
7. Bernal Hill Blvd. Perimeter - Community request to repair fencing and signage and to provide better maintenance. Staff estimate: \$150,000. (Given Priority 3 on 11/6).
8. Buena Vista Park Interior Irrigation Loop - Staff proposal: \$200,000. (Include in Irrigation Renovation fund 10/29).
9. Campbell/Rutland Mini Park - Staff request to upgrade play area. (Include in Mini Parks Rehab fund 10/29).
10. Chinese Playground Remodeling - Staff proposal: \$350,000. (Given Priority 1 on 10/29).
11. Chinese Recreation Center - (Deferred 10/29).
12. Crocker Amazon Gym - Construction of gym to serve this large neighborhood not presently served by one. (Include in Development fund 10/29).

13. Eureka Valley Playground - (Defer for information on fence fund).
14. Excelsior Playground - Request for improvements on Geneva Avenue. (Refer to Department of Public Works).
15. Fencing - Provide annual fund to repair/replace fencing throughout system. (Get fencing report - 11/6).
16. Field Lights - Provide annual fund to install athletic field flood lighting. (Defer for staff report - 11/6).
17. Folsom Playground - Extensive support from staff, community and Board of Supervisors to fund major renovation of facility. (Given Priority 1 on 11/6).
18. Franklin Square - Conversion to baseball for Little League use. (Get schedule of use from Athletics Division - 11/6).
19. Handicapped Access - provide annual funding to address access issues at department facilities.
20. Hayes Valley Clubhouse - Funding for making restrooms accessible as required by recent upgrade of children's play area.
21. Hazardous Materials Abatement - annual funding for removal of asbestos.
22. Irrigation Renovation - provide annual funding.
23. Jamestown Playground - Community request to provide gates in the fence dividing this playground. Cost estimate of \$3,000 provided by community.
24. Japantown Peace Plaza - Community request to renovate facility. Estimate of \$1.2 million provided by community. Staff estimate: \$150,000.
25. Kezar Pavilion - Renovation of locker rooms, new roof (\$400,000).
26. Lake Merced - Staff request to provide increased maintenance personnel and equipment for the area. \$72,000 plus equipment costs estimated by Department for two gardeners.
27. Lighting: annual funding of security lighting, particularly at latchkey sites.
28. Mini Parks Rehab. - Staff estimate: \$200,000.
29. Mission Playground - Community request to improve play equipment, fencing, lighting and court surfaces.

30. Moscone Playground - Request for rehabilitation of golf practice cages.
31. North Beach Pool and Recreation Center - continued banking (\$300,000).
32. Park Emergency Hospital - Staff request to provide renovation funds to convert building to Department use.
33. Park Restrooms - Staff proposal to install restrooms in several facilities including Michelangelo, Folsom Playground, etc.
34. Pier 54 Launch Ramp - modify slope and renovate floats.
35. Poly High School Gym -
36. Potrero Hill Recreation Center - to match federal grant of \$250,000 for renovation including new floor, accessible restrooms (\$107,000).
37. Randall Museum - Implement Master Plan -
38. Regional Trail, Twin Peaks - Community request to improve trail system, to revegetate, and to take measures to stop erosion. \$200,000 cost estimate provided by community.
39. Swimming Pool Renovations - Balboa, Coffman, King, Mission, Sava.
40. Tank Hill - Invasive weed control.
41. Upper Noe Playground - Including resurfacing of courts.
42. Visitation Valley Clubhouse/Playground Rehab. - General upgrade.
43. West Portal Playground Rehab. - Staff proposal: \$100,000. to supplement existing funding.
44. Mission Pool - Community request to install retractable cover over pool, and skylights in locker room in addition to requests from previous years most of which are in the planning stage.
45. Golden Gate Park Bandshell - Staff proposal: \$400,000 to supplement FEMA funds to repair earthquake damaged facility.
46. Golden Gate Park Big Rec Dressing Room - Request from high school coach to upgrade facility. Cost estimate: \$300,000.
47. Golden Gate Park Chain of Lakes Disabled Access and Restroom Rehab. - Staff proposal to install accessible pathway around Middle lake and to make adjacent restrooms accessible.

48. Golden Gate Park Conservatory Interior Doors - Request from staff to replace institutional-type doors leading from Pavilion to wings with period doors to match otherwise renovated building. Cost estimate of \$5,000 provided by Department Carpenter Shop.
49. Golden Gate Park East Entrance (Alvord Lake) - Request from community to redesign this portion of park in an effort to reduce social problems evident there. (\$200,000 - More information requested - 11/6).
50. Golden Gate Park Middle Lake Rehab. -
51. Golden Gate Park Panhandle Playground - Remove portion of old paved parking area, provide court striping and landscaping (\$50,000).
52. Golden Gate Park Perimeter - Provide additional gardening staff to address conditions in these areas.
53. Golden Gate Park Pioneer Log Cabin - supplement existing funding.

PUBLIC LIBRARY

Thursday, November 14, 1991 - 7:00 P.M.
McLaren Lodge, Golden Gate Park - Commission Room

ROLL CALL

Members Present: Robert Dutra, Co-Chair; Dan Hodapp, Co-Chair; Mauricio Aviles; Geraldine Earp; Greg Gaar; Jill Hallinan; Jeffrey Henne; Barbara Judy; Nancy Larson; Lonnie Lawson; Louis Loewenstein; Nan McGuire; Terry Ow-Wing; Juanita Raven; Jacob Sigg; and Willa Sims

Members Absent: Lynn Altshuler; Francis Baron; Ina Dearman; Hilary Lamar; Rich Sorro; Lynne Williams; and Midge Wilson

Staff Present: Phil Arnold, Asst. General Manager-Administration; Ron de Leon, Acting Superintendent of Parks; Deborah Learner, Park Planner; Tim Lillyquist, Assistant to the General Manager; Joel Robinson, Superintendent of Recreation; and Joanne Wilson, Park Planner, of the Recreation and Park Department

APPROVAL OF MINUTES

Minutes of November 6, 1991 were approved as submitted.

PUBLIC COMMENT

Public comment was received both for and against the proposal to renovate the entrance to Golden Gate Park at Alvord Lake.

STAFF REPORTS

° Bernal Gym Children's Center

Staff provided a review of the plans to convert the Bernal Heights gym to a children's adventure playground serving primarily children between the ages of 8-12.

Several Committee members expressed a desire to visit one or more sites where children's adventure/activity centers are currently located before taking action on the adventure/activity center being proposed for Bernal Heights Gym.

Franklin Square

Staff reported that Franklin Square is now used for soccer and that increasing the use by adding Little League Baseball could cause the field to deteriorate due to overuse.

Fencing - Status Report

Staff reported on the status of current fencing projects and the need for additional funds for fencing.

Alvord Lake Entrance to Golden Gate Park

Staff expressed doubt that changing the plantings at this entrance to Golden Gate Park would resolve the law enforcement issues. The captain of Park Station, San Francisco Police Department, stated that a permanent police presence at the Alvord Lake entrance is not possible.

The Committee discussed the appropriate role for the Open Space Program when faced with requests to address social conflict issues, such as the Alvord Lake entrance to Golden Gate Park.

A motion was made and seconded that a letter be drafted for consideration at the Committee's next meeting stating that the Park and Open Space Advisory Committee should not be used as a vehicle to resolve social problems. The motion was adopted.

Ayes: Robert Dutra, Greg Gaar, Jill Hallinan, Barbara Judy, Nancy Larson, Lonnie Lawson, Louis Loewenstein, Juanita Raven

Noes: Mauricio Aviles, Geraldine Earp, Jeffrey Henne, Dan Hodapp, Nan McGuire, Terry Ow-Wing, Jacob Sigg

REVIEW OF OPEN SPACE PROPOSALS -- RENOVATION PROJECTS

The Committee adopted the following recommendations:

- 1) Franklin Square -- Retain as a soccer field.
- 2) Fencing -- Given a Priority 1.
- 3) Alvord Lake Entrance to Golden Gate Park Renovation -- Delete from future consideration.

ADJOURNMENT

The meeting adjourned at 9:00 p.m.

Minutes prepared by

Phil W. Arnold

Staff Present: Phil Arnold, Asst. General Manager-Administration; Deborah Learner, Park Planner; Tim Lillyquist, Assistant to the General Manager; and Joanne Wilson, Park Planner, of the Recreation and Park Department; and Steve Shotland of the Department of City Planning

APPROVAL OF MINUTES

The minutes of November 14, 1991 were amended to reflect the desire of some members of the Committee to visit one or more sites where children's adventure/activity centers are currently located before taking action on the adventure/activity center being proposed for the Bernal Heights Gym. The minutes were approved as amended.

PUBLIC COMMENT

West Portal Playground -- Request for additional funds for replacement of play structure at West Portal Playground.

Twin Peaks -- Request for funds to enhance access to the Twin Peaks area for hikers.

STAFF REPORTS

° **Golden Gate Park General Obligation Bond**

Staff reviewed a proposal for a general obligation bond issue for renovation of infrastructure in Golden Gate Park to be submitted to the electorate in June, 1991. Approvals needed include the Recreation and Park Commission, the Capital Improvements Advisory Committee (CIAC), and the Board of Supervisors.

REVIEW OF OPEN SPACE PROPOSALS - RENOVATION PROJECTS

The Committee reviewed and approved (attached) a list of proposed projects.

A subcommittee, consisting of Bob Dutra, Nan McGuire and Nancy Larson, was appointed to work on a draft letter outlining the Committee's understanding of its responsibilities and its limitations.

The Committee voted to reschedule the December 10 Park and Open Space Advisory Committee meeting to Thursday, December 12, 7:00 p.m.

ADJOURNMENT

The meeting adjourned at 9:00 p.m.

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1992-93 OPEN SPACE PROGRAM PROJECT LIST

November 19, 1991

Renovation/Maintenance

1. Alamo Square - Community request to upgrade play area, restrooms, lighting, walkways and develop landscape master plan. Cost estimate of \$103,000 provided by community. (Given Priority 1 on 10/29 with recommendation that community match funds of up to \$103,000).
2. Alioto Mini Park - Community and staff request to upgrade play area. Community requests staffing. Petition with 50 signatures included with application. Cost estimate of \$35,000 provided by community. (Given Priority 1 on 10/29).
3. Balboa Park Restrooms/Locker Rooms - Staff request to replace facilities lost in the reconstruction of Balboa Police Station. (Deferred 10/29).
4. Balboa Stadium Lighting - Install athletic field lighting at Balboa Soccer Stadium. (Deferred 10/29).
5. Bernal Gym - Supplement monies allocated for renovation of Bernal Gym to provide for children's adventure center. (\$50,000 additional funding given Priority 1 on 10/29).
- 5a. Bernal Gym - New Children's Adventure Center (Committee asked for more information on proposal for adventure center before increasing to \$150,000).

Staff Present: Phil Arnold, Assistant General Manager-Administration; Elaine Molinari, Director of Neighborhood Services; Nan Neal, Assistant Superintendent of Recreation/Community Services; and Joanne Wilson, Park Planner, of the Recreation and Park Department

APPROVAL OF MINUTES

The minutes of November 19, 1991 were approved as submitted.

PUBLIC COMMENT

Concern was expressed about the status of funds requested to renovate **Mission Playground**.

Funds were requested for development of a children's play area in **Civic Center**.

The Committee was informed that the Mission neighborhood is requesting funds for a transportation program. The Committee decided to review this matter at its next meeting on December 12.

Civic Center

The Committee voted to recommend that \$60,000 in funds previously approved for a children's play area at the Federal Building be used instead for a play area in Civic Center Plaza.

DOCUMENTS DEPT.

APPROVAL OF MINUTES

The minutes of December 4, 1991 were approved as submitted.

JAN 14 1992

SAN FRANCISCO
PUBLIC LIBRARY

PUBLIC COMMENT

At this time members of the public may address the Committee on items that are within the subject matter jurisdiction of the Park and Open Space Advisory Committee. Members of the public may address the Committee for up to 3 minutes for individuals or up to 5 minutes for groups, or a lesser period time subject to the call of the Co-Chairs.

Zack Cowan, spoke to the Committee regarding funding for the transportation program. He stated that funds for the program come from acquisition and development and that transportation is a second best alternative to acquisition and development of new open space property.

DISCUSSION OF DISCOVERY PLAY AREA AND BERNAL HEIGHTS GYM PROPOSAL

The Committee received a report from two members who visited an existing discovery play area. Reservations expressed included the need for supervision, lack of quiet areas, potential for injury, and the limited time that kids can participate in active play.

Nan Neal, Assistant Superintendent of Recreation/Community Services, reported that the goal of the center was educational, as well as active play. She also contrasted the concept of Bernal Heights Gym from the commercial play areas that are being developed at shopping centers. The Bernal Gym concept is still in the development stage, but would not be a commercial venture. Focus would be on providing play value to kids of preschool and elementary school age.

The Committee noted that it had previously given a priority recommendation for disabled access and entryway improvements, but not for the adventure center concept. The list provided to the Committee of approved priority projects will be corrected to reflect this previous approval. The Committee then gave a Priority to the concept of a children's activity center at Bernal Heights Gym, provided the normal design review process is followed.

DISCUSSION OF PROPOSED LETTER ON OPEN SPACE COMMITTEE RESPONSIBILITIES

Postponed until meeting of January 9, 1992.

DISCUSSION OF EXPANSION OF TRANSPORTATION PROGRAM

A funding request was submitted to the Open Space Committee for expansion of the transportation program to serve the Mission District. After discussion, the Committee voted to expand the transportation program to include the Mission, Bayview and OMI districts.

REVIEW OF OPEN SPACE PROPOSALS - RENOVATION PROJECTS

The Committee adopted priorities shown on the attached list.

The Committee was notified that seriatim meetings are not permitted under the Brown Act.

The Committee calendared an additional meeting for January 21, 1992 at 7:00 p.m.

ADJOURNMENT

The meeting adjourned at 9:20 p.m.

Minutes prepared by

Phil W. Arnold

Note: These minutes set forth all actions taken by the Park and Open Space Advisory Committee on matters stated, but not necessarily the chronological order in which the matters were taken up.

1992-93 OPEN SPACE PROGRAM PROJECT LIST

December 12, 1991

Renovation/Maintenance

1. Alamo Square - Community request to upgrade play area, restrooms, lighting, walkways and develop landscape master plan. Cost estimate of \$103,000 provided by community. (Given Priority 1 on 10/29 with recommendation that community match funds of up to \$103,000).
